6. Conditions

The applicant **MUST** comply with the following conditions:

1. Council is required to notify neighbouring residents of this application therefore payment of fees must be received within **3 business days** of proposed date of work or Council can not progress your application.
2. There will be no refund of the application fee where an application is unsuccessful.
3. Out of hours permits are for single events; you will require one application per 24-hour period.
Approval will only be given for safety or public amenity reasons. Reasons related to occupant convenience or accelerated work programs will not be acceptable.
4. At least 5 working days' notice must be given to process the application and inform any affected properties. The type of works this application is proposed to be used for are scheduled works which are program managed.
5. The application will not be assessed until the application and processing fees are paid in full.
6. Except in very exceptional circumstances, no works will be approved after 10pm or before 6am.
7. A permit does not allow any ongoing variation to the Hours of Demolition/Construction imposed by any conditions in the Development Consent.
8. It is the responsibility of the applicant to provide sufficient information and describe the proposed works in detail, to enable the application to be properly considered. Failure to do so will lead to rejection.
9. The applicant is to provide the details of any Construction Certificate issued under the Environmental Planning & Assessment Act, 1979, which authorises the work for which this Permit is required. Alternately, they must provide an explanation as to why a Construction Certificate is not necessary for the intended works.
10. Permits only allow the work described therein and generally exclude any noisy construction or demolition works.
11. The applicant must provide reasons why the work, subject of the permit application, cannot be carried out in normal construction hours.
12. The applicant must demonstrate that consideration has been given to and show what measures are to be put in place to address any perceived impact of the activity on nearby residential and public use buildings (especially those involving sensitive occupations).
13. Council must be given sufficient detail to satisfy itself that the activity will not create unreasonable noise, vibration, light spill or impact on traffic and access in the locality.
14. This permit may be cancelled without notice should public or residential amenity be detrimentally affected.
15. A copy of any approval must be maintained on site and produced as requested by Police or Council staff.
16. All residences, institutions, and business within a 100-metre radius of the development site shall be informed of
17. The times the works will be conducted by way of a letterbox drop at least 24 hours prior to the work taking place. This forms part of your application fee and will be carried out by Council once the permit is approved. The onsite persons details will display on Council's notification letters as point of contact.
18. In the event the works are of an urgent nature due to mechanical failure, the residents, institutes, and businesses within a 100-metre radius of the development site shall be informed of the times the works will be conducted by way of personal service of the notification immediately following receipt of approval.
19. All measures shall be engaged by the responsible person organising the activity to ensure the works are undertaken strictly within the approved extended hours. Any works undertaken outside the approved extended hours will be considered unauthorised and subject to on-the-spot penalties.
20. All measures shall be engaged by the responsible person organising the activity to ensure the environmental/ amenity measures be put in place to minimise impact on residences and public use buildings are undertaken.
21. All other environmental/amenity measures conditioned in the development consent shall be complied with as well during these activities.
