Win/Loss Record for previous and current financial year

Note: Total case number only relates to those court matters determined by the Court, in that financial year and does not relate the actual number of Land and Environment Court/Local Court matters received, in that financial year. The Win record includes appeals upheld, as a result of a section 34 conciliated agreement entered into, due to the Applicant amending the application to resolve the issue.

Definitions:

- A section 34 conciliation conference is presided over by a Commissioner of the Land & Environment Court and explores options for the parties to resolve the appeal or narrow the issues.
- Section 34AA proceedings provides a fast appeal system for a limited range of residential development, which is presided over by a Commissioner of the Land & Environmental Court. If the parties do not reach an agreement onsite, the Commissioner will make a determination.
- A section 56A appeal may be made to a judge against a Commissioner's decision only on a point of law and not the merits of the development.
- PN stands for a Penalty Notice issued by Council officers for a breach of the law and the imposition of a fine.
- Court elected means that the recipient of a PN, choses to elect that the Local Court determine the alleged offence and the amount of fine, if any.
- Prospects advice is given on the basis of the evidence at the time the opinion is provided. Prospects may vary as the applicant amends plans and issues raised by Council are appropriately addressed.
- Appeals to the District Court may be made against the severity of penalty imposed by Local Court magistrate in response to Court Elected Penalty Infringement Notices.
- NCAT Matters are proceedings involving administrative reviews in relation to the actions of Council.
- A judicial review appeal may be made to the Land and Environment Court seeking a declaration that a development consent issued by the Council is invalid.
