# RECOGNITION OF AND COMMITMENT TO THE DHARUG PEOPLE

Wadyiman Barramada gŭlbanġa naadyi Barramadaġal Dharuġ.

Nġurrayin, badu, burra barramadaġal dharuġ yurayin.

City of Parramatta recognises the Dharuġ People as First Australians, peoples of the oldest continuous living culture in the world.

Photographs: Ken Leanfore.

Photograph: Ken Leanfore.

For more than 60,000 years, Parramatta has been home to the Baramadaġal and other Dharuġ peoples, the Traditional Owners of the land we call the City of Parramatta today. The Baramadaġal and other Dharuġ peoples have cared for and nurtured the habitat, land, and waters for thousands of ġenerations, and maintain an ongoing connection to Parramatta and its surrounding areas.

As a community, we can learn from the resilience and community spirit of First Nations people to best ensure a sustainable City for all. Parramatta has always been an important meeting place for the First Nations people, particularly the Parramatta River, which has provided life and vitality since the beginning of time (The Dreaming).

The name Parramatta is derived from the word Baramada /Burramatta or 'place where the eels lie down' (breeding location for eels within the Parramatta River).

City of Parramatta recognises the significance of this area for all First Nations people as a site of early contact between the First Australians and European Colonists, and Parramatta remains an important meeting place for the First Nations community.

First Nations people continue to play a vital role in the ecological, economic, social and cultural life of Parramatta, while maintaining a distinct culture built on the principles of Caring for Country, the primacy of family, and the dignity and governance of Elders.

At City of Parramatta, we aspire to a future where the cultures, histories and rights of all First Nations people are understood, recognised, and respected by all Australians. City of Parramatta is committed to playing an active role in making this future a reality. City of Parramatta is proud to acknowledge the ongoing stewardship of Country by Dharug and other First Nations people and to celebrate their enduring wisdom, strength, and resilience.

Always Was, Always Will Be, Aboriginal Land.

# MESSAGE FROM THE LORD MAYOR

AS AT 30 JUNE 2024

I'm proud to present our 2023/24 Annual Report.

As I prepare to close the book on a 25-year career on Council, I can hand-on-heart say that there has not been another 12-month period where we've made as much progress as a City.

We've delivered big infrastructure, big events and big ideas and many, many small projects that will make a big difference in people's everyday lives.

The year was bookended by milestones for two of the biggest infrastructure projects in our history – the completion of our Parramatta Aquatic Centre (PAC) and the first look at designs for our new Riverside Theatres.

PAC is so much more than just a pool. It's been an investment in the well-being of our community – a place they can learn to swim, train for greatness and unwind just a stone's throw from our CBD. It's even got me going to spin classes!

We also took a major step towards our reimagined Riverside Theatres, announcing the winning design. The new design and significantly increased capacity will help establish the venue as a world-class performing arts centre that will supercharge our visitor economy.

While we're excited about future builds, we also took steps to preserve one of our City's oldest landmarks – Parramatta Town Hall – and equip it with modern audio and lighting features. The restored Town Hall adjoins our iconic civic, cultural and community hub, PHIVE, connecting the City's past with our present.

#### Throughout the year, we also completed:

- > A \$12.9 million upgrade of Charles Street Square that provides a first-class arrival experience and gathering place for locals and visitors;
- > The \$19 million Alfred Street Bridge, part of a growing network of active transport links that is making the City easier to navigate for pedestrians and cyclists;
- > Plans for the next stage of Civic Link which will run from Parramatta's CBD to the River.

Over the past 12 months, we've spent a lot of time thinking about our City's future.

Our *Parramatta 2050* vision is unlike anything Council has done before. It seeks to chart a course for Parramatta's continued transformation into a global City over the next 25 years.

V  
 "We've delivered big infrastructure, big events and big ideas and many, many small projects that will make a big difference in people's everyday lives."  
 ^

We want Parramatta to be where it's at – day or night.

Our new Late Night Trading Development Controls set a new benchmark for the entirety of Sydney and sends a signal to businesses that if you want to be part of a growing night-time economy, Parramatta is the place to be.

Our events continue to grow from strength to strength. Record crowds of more than 180,000 people flocked to the City over four nights in October for our signature food, art and music festival, Parramatta Lanes, with celebrations for New Year's Eve, Australia Day and Lunar New Year also a major drawcard. We also invested in neighbourhood events like our outdoor cinema series which saw hundreds of families gather in local parks to enjoy Hollywood hits on the big screen.

Through our Community Grants Program, we invested more than \$540,000 in helping community and cultural organisations, volunteer groups, sporting clubs, and social enterprises. We are proud to be able to invest back in the people and organisations who invest so much of their own time and energy in making our community special.

Council was pleased to welcome 3,622 new Australians at 12 citizenship ceremonies throughout the year. We are proud they have chosen Parramatta to make their home.

I want to thank my fellow Councillors for their passion and energy. We debate issues robustly at times but we are all driven by a common desire to make our community stronger. I'm proud of what we have been able to achieve together.

I want to thank our Chief Executive Officer, Gail Connolly PSM, her hard-working Executive Team and the many dedicated staff for their service to our community.

I am incredibly proud to have played a part in shaping this great City – and to have worked alongside so many people who have are just as passionate about Parramatta.

I look forward to watching our great City thrive into the future.

**Councillor Pierre Esber**  
 Lord Mayor

June 2024.

# MESSAGE FROM THE CEO

AS AT 30 JUNE 2024

This year we've laid the foundations for an even stronger future for our City.

Our investment in services and infrastructure ensured we're not just delivering on the needs of our community now but building the capacity and opportunities they deserve long-term.

Here are just a few highlights of the past year:

> **We made a splash with our new Parramatta Aquatic Centre (PAC).**

Nestled into the surrounds of Parramatta Park, the \$88.6 million centre opened in September 2023 and has provided our community a year-round destination to swim, workout and relax. Since then, PAC has attracted close to 500,000 visits, more than 2000 swim school registrations and even starred in a fashion shoot in Marie Claire magazine.

And it's not just locals that love it. In June 2024, PAC was recognised at the NSW Architecture Awards with the State's highest honour for public architecture, the Sulman Medal.

> **We re-opened the newly restored Parramatta Town Hall.**

For Council, the restoration of Town Hall has been a \$30 million investment in preserving one of our community's most loved buildings – and turning it into a state-of-the-art venue.

It also marked the final piece in the puzzle of the transformation of Parramatta Square in our City's heart.

> **We raised the curtain on what a reimagined Riverside Theatres will look like.**

In May, we announced the winning design for the redevelopment of Riverside Theatres.

It promises to create a new architectural landmark in the City that honours our First Nations heritage and will be an anchor of our growing arts and culture precinct. Construction on the reimagined Riverside will begin next year and give us double our existing theatre capacity and a world-class performing arts centre that will attract the very best in live performance from Australia, Broadway and the West End to our City.

> **We launched our landmark First Nations Strategy**

Parramatta has always been an important gathering place for First Nations people – and we want that to continue.

This strategy reflects years of work with First Nations people and builds on the legacy and learnings of Council's Stretch Reconciliation Action Plan.

It's the best in the country and represents our commitment to continue fostering meaningful and respectful relationships with Dharug and other First Nations people and developing partnerships built on action.

> **We worked harder to understand the needs of our community.**

Over the past year, we've run two community workshops in each ward, giving hundreds of local residents a chance to have their say on neighbourhood priorities and the broader vision for our City.

This feedback and our annual Community Satisfaction survey has been invaluable in shaping Council's priorities and the development of a new plan to improve our service delivery and make it easier to interact with us.

V  
 "My sincere thanks goes to our staff who come to work every day seeking to do their best for our community. Their passion for putting people and community first ensures that we will continue to build a great global City."  
 A

> **We're planning for the future**

Council continues to punch above its weight on housing, exceeding its 2021-2026 targets by 9% and plans are already in place for more than 75% of our target to 2029. Our new housing target - backed by the ambitious jobs target of 150,000 new jobs outlined in the City's Parramatta 2050 Vision - supports the need for continued investment in infrastructure and transport including two additional Metro stops between Parramatta and Sydney Olympic Park.

We also approved 17 regionally significant applications that will bring with them increased infrastructure such as roads, parks and a new town centre at Melrose Park.

> **We're partnering with organisations to realise our City's potential**

Council recognises the potential to work with partners to realise shared objectives that make our community stronger.

In line with this, Council this year began a three-year partnership with the Parramatta Eels that is delivering free rugby league clinics to local kids, building participation and inclusion for young girls in multicultural communities and supporting a new scholarship for women in Western Sydney.

The new partnership also seeks to grow the reputation of Parramatta as a global visitor destination, with the City's destination marketing brand "Parramatta - Where It's AT" featured on the Eels' NRLW playing jersey and in game day signage and advertising.

Parramatta is also investigating partnerships with other major players in the City who share our vision for Parramatta.

> **We prepared a vision to guide our journey to 2050.**

Since June 2023, Council has been working on a strategy to guide the evolution of our City over the next 30 years.

Parramatta 2050 represents our pitch to the world – a plan to see our City recognised internationally as a place where people gather to share their ideas and collaborate, create firsts and where great ideas can build momentum.

The feedback from community and stakeholders has been instrumental in shaping the final vision.

I want to thank the community and organisations who work with us every day. Collaboration is a hallmark of the way our Council does business and it's heartening to have so many people share our commitment to seeing the City of Parramatta thrive. Their feedback, guidance and willingness to back our initiatives is invaluable.

I want to thank our Lord Mayors and Councillors for their continued support and their enthusiasm and commitment to making Parramatta the best place to live, work and invest.

Finally, my sincere thanks goes to our staff who come to work every day seeking to do their best for our community. Their passion for putting people and community first ensures that we will continue to build a great global City.

**Gail Connolly PSM**  
 Chief Executive Officer

# PURPOSE OF THE ANNUAL REPORT

The City of Parramatta is proud to present our Annual Report for the financial year to 30 June 2024.

This report outlines the City of Parramatta’s financial and operational performance for the year against the key strategic priorities of our Community Strategic Plan 2018-2038, our Delivery Program 2022-2026, and our Operational Plan & Budget 2023/24.

This report details the challenges faced and achievements made over the past year – providing an open and honest account of our performance and financial position to our community and stakeholders.

## The Annual Report aims to:

- > Communicate our vision and commitments to the community
- > Report on our performance in delivering the key strategic priorities and other key achievements
- > Provide transparency to Council operations through statutory reporting information
- > Demonstrate our ability to lead with confidence and deliver on our promises
- > Promote the City and Council to existing partners and potential investors to encourage social and economic development
- > Recognise the significant achievements of our staff and Council

# HOW TO READ THE ANNUAL REPORT

This report has three main sections, supported by three appendices.

## > PART 01 – INTRODUCTION

Key information about our City

## > PART 02 – OUR YEAR IN REVIEW

Taking a closer look at important milestones and people, including our Councillors, Executive Team, Awards, and Events

## > PART 03 – COMMUNITY REPORT CARD

Council’s progress and achievements in implementing our Delivery Program in 2023/24

## > APPENDICES

1. STATUTORY REPORTING INFORMATION — Statutory requirements in accordance with the Local Government Act 1993 and Local Government Regulation (2005)
2. AUDITED FINANCIAL STATEMENT 2023/24 — the General Purpose Financial Statements 2023/24
3. THE STATE OF OUR CITY REPORT 2022-2024

# INTEGRATED PLANNING AND REPORTING

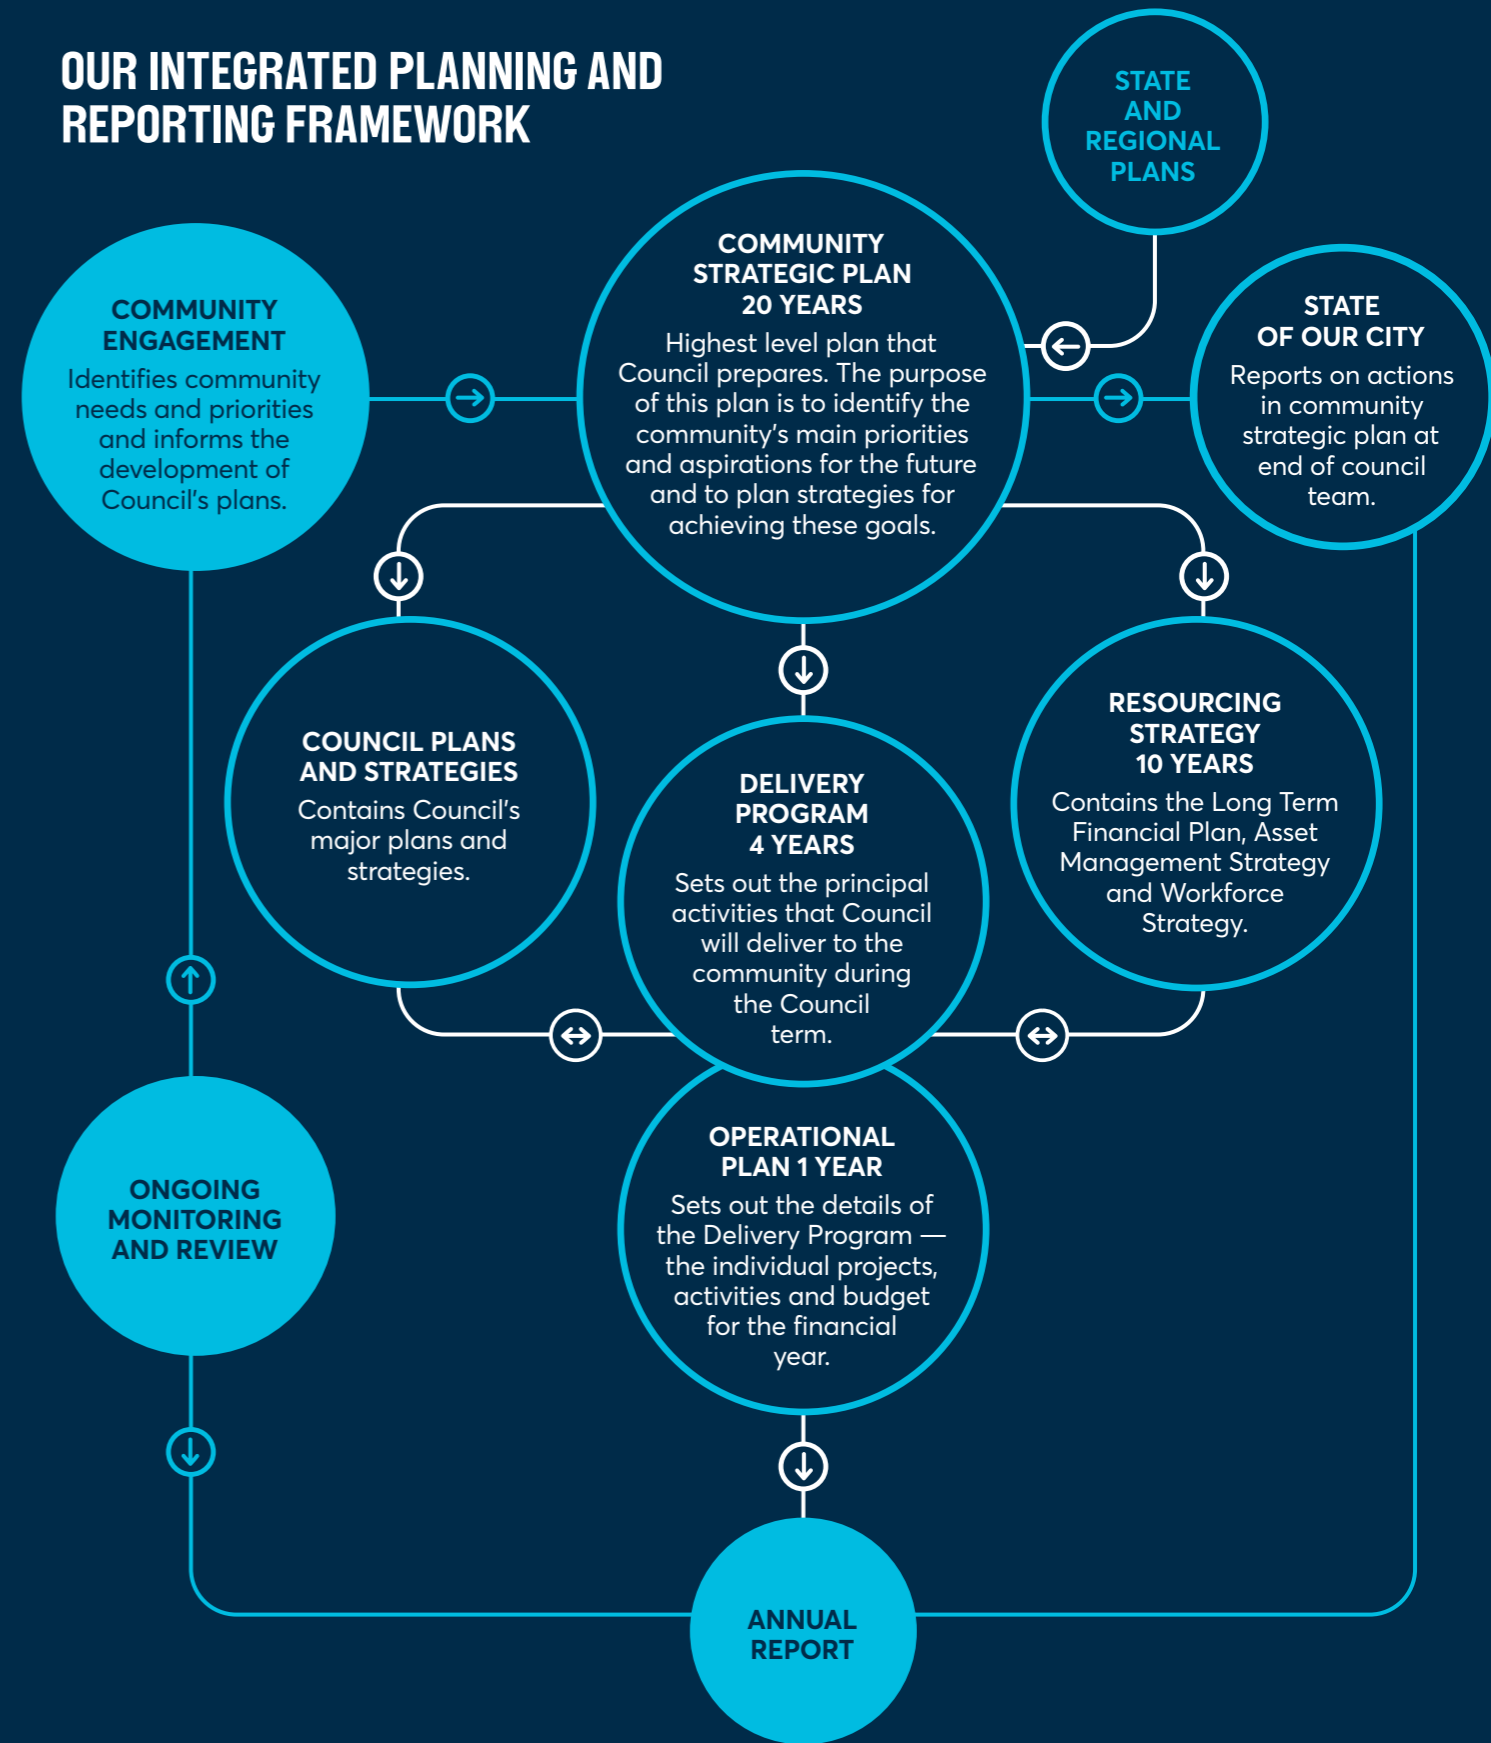

Photograph: Simon Wood Photography.

Under the NSW Local Government Act 1993, all councils are required to take a rigorous approach to strategic planning, financial management and statutory reporting.

The legislation sets out an Integrated Planning and Reporting (IP&R) framework used to connect various plans and enable closer collaboration between Council, the community and our partners.

The diagram below demonstrates how the Annual Report contributes to this framework.

## OUR INTEGRATED PLANNING AND REPORTING FRAMEWORK

# ABOUT PARRAMATTA

As the largest city centre in Greater Western Sydney, Parramatta is undergoing a period of dynamic growth and remarkable transformation.

The City of Parramatta is recognised as one of Australia’s most rapidly expanding regions. Home to communities from a diverse range of backgrounds, Parramatta’s population is expected to double by 2036, solidifying its status as a significant cultural and economic force.

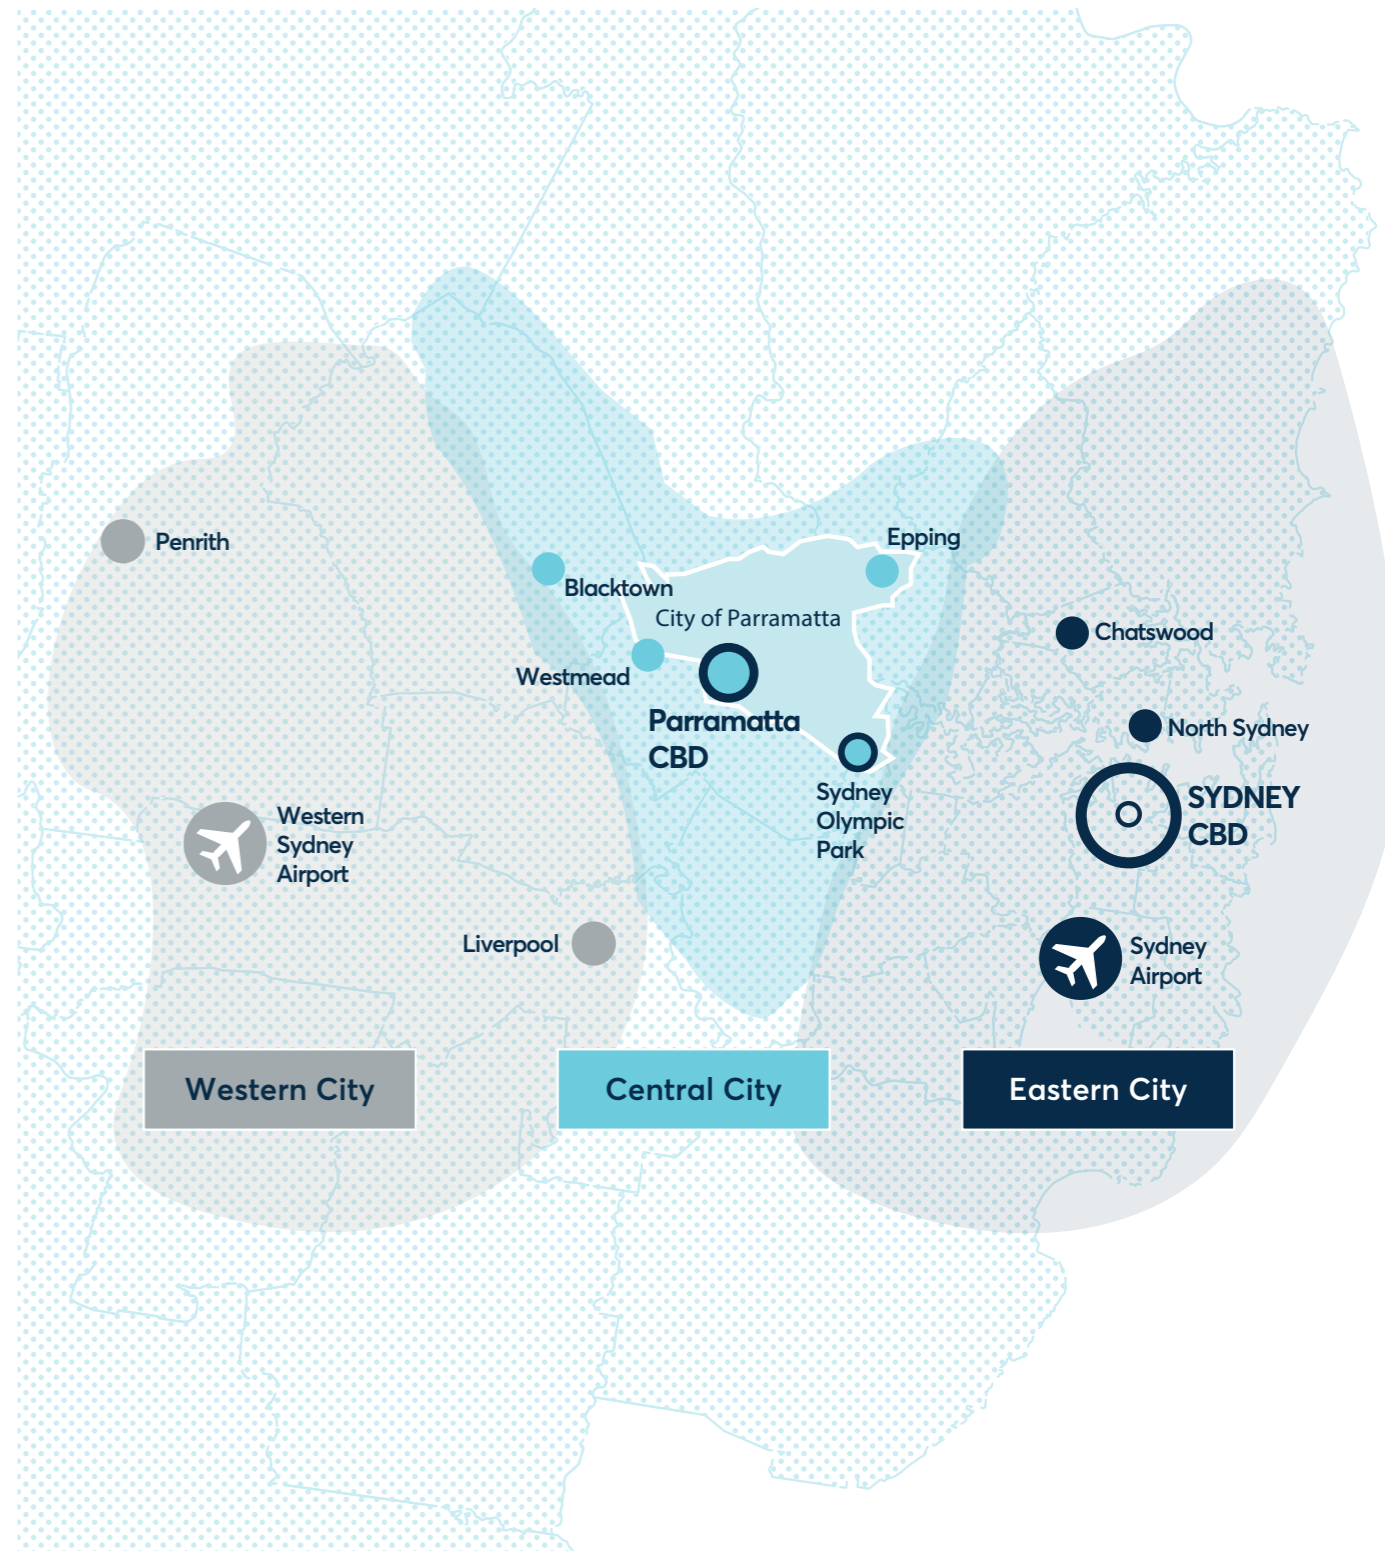

With increasing transport options and government services, corporations and private enterprise all relocating into the Parramatta CBD, the geographic importance of Parramatta has never been more certain. Our central location and diverse cultural landscape provide a unique stage for Australia’s growing economy and attracting global talent.

Accordingly, our City is increasingly recognised as a leading destination for business, education, research, art and culture, dining, and nature and heritage experiences.

Despite our many strengths, Parramatta is also working hard to manage the challenges that accompany growth - including housing, transport, health, urban planning and our growing workforce.

City of Parramatta Council is focused on supporting our communities through these challenges, so that everyone in our community can reach their full potential.

Council continues to advocate to State and Federal governments for investment and planning, to ensure all who live in and visit Parramatta can benefit from the change occurring in our region.

# OUR COMMUNITY VISION

Following the formation of the City of Parramatta in 2016, extensive community consultation was carried out to develop a community vision for our Community Strategic Plan:

Through the development of the Community Strategic Plan in 2018 and its review and refresh in 2022, the City of Parramatta’s vision statement remains reflective to the responses of more than 9,000 people in 2016.

V  
**“Sydney’s Central City:  
 sustainable, liveable and  
 productive – inspired by our  
 communities”**  
^

 **SUSTAINABLE**

Stewards of our built and natural environment. Fostering vibrant neighbourhoods, places and development that is well balanced, connected and sustainable.

 **PRODUCTIVE**

Drivers of the economy. Growing local jobs by positioning Parramatta as a global centre for businesses and investment.

 **LIVEABLE**

Supporting our community to succeed and live well. Champions of our community and culture.

 **LEADING**

Accountable to our communities. An agile, listening and transparent Council working in partnership and providing great services now and into the future.

# OUR CITY IN NUMBERS

# OUR COUNCILLORS

AS AT 30 JUNE 2024

The City of Parramatta is represented by Councillors who have been elected for a 3-year term until September 2024. Our Councillors are elected by residents and non-residents across five electoral areas known as wards, with the Lord Mayor and Deputy Lord Mayor elected by the Councillors.

Councillors act as a link between the community and Council, making decisions and policies guided by the Local Government Act (1993) and other relevant policies.

Councillor Sameer Pandey was elected Lord Mayor at the Extraordinary Council Meeting of 22 May 2023, and Councillor Cameron MacLean was elected Deputy Lord Mayor at the Ordinary Council Meeting of 13 June 2023, both elected until 25 September 2023.

Councillor Pierre Esber was elected Lord Mayor and Councillor Dr Patricia Prociv elected Deputy Lord Mayor at the Extraordinary Council Meeting of 25 September 2023. Lord Mayor Esber and Deputy Lord Mayor Prociv will hold the positions until the next local government elections to be held in September 2024.

Donna Davis MP and Dan Siviero resigned from their role as Councillors for the City of Parramatta on 23 January 2024 and 14 June 2024 respectively.

## ROSEHILL WARD

**Deputy Lord Mayor**  
Dr Patricia Prociv

**Councillor**  
Paul Noack

**Councillor**  
Dan Siviero

*Dan Siviero resigned from City of Parramatta Council on 14 June 2024. As a result of his resignation, Rosehill Ward will be represented by two Councillors until the September 2024 local government elections.*

## DUNDAS WARD

**Lord Mayor**  
Pierre Esber

**Councillor**  
Michelle Garrard

**Councillor**  
Kellie Darley

## EPPING WARD

**Councillor**  
Lorraine Wearne

**Councillor**  
Cameron MacLean

**Councillor**  
Donna Davis MP

*Donna Davis MP resigned from City of Parramatta Council on 23 January 2024. As a result of her resignation, Epping Ward will be represented by two Councillors until the September 2024 local government elections.*

**NORTH ROCKS WARD**

**Councillor**  
Ange Humphries

**Councillor**  
Georgina Valjak

**Councillor**  
Donna Wang

**PARRAMATTA WARD**

**Councillor**  
Sameer Pandey

**Councillor**  
Henry Green

**Councillor**  
Phil Bradley

# GOVERNANCE

Government in Australia is comprised of three tiers: federal, state, and local. The City of Parramatta is one of 128 local governments in New South Wales operating in accordance with the Local Government Act 1993 (the Act).

The Act sets out a system for elected members to form a Council, describing the functions of local governments, providing for the conduct of elections and polls, and providing a framework for the administration and financial management of local government, including accountability and transparency.

## Governance at Council

All Council operations are implemented within a rigorous framework of governance policies and procedures. This helps to ensure that decision-making is transparent and accountable, and organisational activities are free from fraud and corruption with a focus on providing effective leadership and administration.

Council has a dedicated Secretariat team that are responsible for providing a high level of administration services with respect to the elected Council and Committee meetings, to ensure Council services are transparent, accountable and free of conflict.

Photograph: Grant Leslie.

## Advisory Committees

Council has a range of Advisory Committees to inform it on the views, needs and interests of communities in the Parramatta Local Government Area.

Advisory Committee	Membership (Councillors)	Purpose
<b>Access Advisory Committee</b>	All Councillors are ex-officio members.	Advises Council on the access needs of people with disability and access-related issues and provides advice, input and feedback on Council's business relating to people with disability and access-related issues.
<b>Active Transport Advisory Committee</b>	All Councillors are ex-officio members.	The Active Transport Advisory Committee provides advice to Council on strategies, policies and projects relating to pedestrians and cyclists anywhere in the Parramatta LGA.
<b>Citizen of the Year Awards Committee</b>	Lord Mayor of the day > Councillor Pierre Esber  Deputy Lord Mayor > Councillor Prociv	The Judging Panel is responsible for the review, assessment and selection of award recipients.

2024 Citizen of the Year: Julie Crane  
 2024 Community Group Award: Moses Vedamuthu from Support Organisation for Homeless and Asylum Seekers (SOHAS)  
 Photograph: Jason Nichols Photography.

Advisory Committee	Membership (Councillors)	Purpose
<b>Environment Advisory Committee</b>	Lord Mayor of the day > Councillor Bradley > Councillor Darley > Councillor Garrard All Councillors are ex-officio members.	The Environmental Advisory Committee (EAC) provides advice, input and feedback on environmental and sustainability issues in relation to Council policies, programs and services across the Parramatta local government area. It is a key part of the governance framework supporting delivery of the Environmental Sustainability Strategy.
<b>First Nations Advisory Committee</b>	All Councillors are ex-officio members.	The First Nations Advisory Committee advises Council on strategic matters and on projects of Council and other stakeholders. The Committee also raises issues important to local First Nations communities including the local Traditional Owners.
<b>Flood Plain Risk Management Committee</b>	Lord Mayor of the day > Councillor Bradley > Councillor Procriv All Councillors are ex-officio members.	The Floodplain Risk Management Committee provides advice to Council on strategic matters relating to flooding anywhere in the Parramatta Local Government Area (LGA). It is a key part of the State Government's process to manage the risks of flooding.
<b>Heritage Advisory Committee</b>	All Councillors are ex-officio members.	The Heritage Advisory Committee advises Council on a range of heritage-related matters which are of relevance to the community and the Parramatta LGA including strategic issues, development proposals and heritage grants.

Advisory Committee	Membership (Councillors)	Purpose
<b>Major Projects Advisory Committee</b>	No Councillors on committee, members are appointed by Councillors.	City of Parramatta established the Major Projects Advisory Committee (MPAC) to assist with risk management and decision making in connection with Council's significant property development activities involving Council owned or controlled land. The primary objective of the Committee is to provide independent assurance in relation to risk identification and mitigation, advice on all aspects of Council's significant property development activities and assist Council in its decision making (as a property owner and not a statutory authority).
<b>Parramatta Light Rail Stage 2 Advisory Committee</b>	Lord Mayor of the day <i>(Councillor Davis to May 2023, Councillor Pandey May 2023 onwards)</i> > Councillor Noack > Councillor Pandey > Councillor Siviero All Councillors are ex-officio members Alternate: Councillor Procriv.	Parramatta Light Rail Stage 2 Advisory Committee provides advice, input, advocacy, and feedback to Council on the design and construction of the Parramatta Light Rail Project Stage 2 and supporting infrastructure within the Parramatta Local Government Area. To represent the views, interests and/or identified issues that affect the communities within the Parramatta local government area within the scope of Council's authority.

<b>Smart City Advisory Committee</b>	<p>Lord Mayor of the day All Councillors are ex-officio members</p>	<p>The Smart City Advisory Committee ('SCAC') provides a trusted sounding board and independent advice to Council, to guide innovation and to ensure the development of the City of Parramatta as a Smart City and an innovative Council. It is a key part of the governance framework supporting delivery of the Smart City Strategy.</p>
--------------------------------------	---	--

## Council Meetings

Council meetings are typically held on the second and fourth Monday of each month at Level 4, PHIVE (Council Chambers) at 5 Parramatta Square, Parramatta, commencing at 6:30pm.

The CEO and members of the Executive Management Team attend the meetings to provide information or advice when called upon by the Councillors.

The Code of Meeting Practice (The Code) governs the way in which Council meetings are conducted. The Code applies to all meetings of Council and

Committees of which all members are Councillors. The Code allows for public participation at Council Meetings.

Members of the public may make an application to address Council at a Council Meeting. Council allows a maximum of five speakers at each Council Meeting.

Members of the public can attend the meetings in person. Those unable to attend in person can watch the Council Meetings live online as well as view past meetings via the Council Meeting livestream and webcasting page.

## Council Meeting Statistics

Reports Considered at Council Meetings

Notices of Motions Considered at Council Meetings

Confidential Reports Considered at Council Meetings

Motions Passed

## Corporate Registers

Corporate Registers are maintained to provide line of sight over Council's decision making.

### > Register of Voting on Planning Decisions

The Local Government Act 1993 requires Councils to maintain a register that records which Councillors vote for and vote against each planning decision of the Council.

### > Register of Declarations of Interests at Council Meetings

Councillors are required to declare and manage any conflicts of interest that may arise in matters being considered at meetings of the Council and committees of the Council in accordance with Council's Code of Conduct. All declarations of interest raised at Council Meetings and how the conflict of interest was managed are recorded in the minutes of the Council meeting at which the conflict was raised.

### > Register of Council Decisions

Council, as the governing body, is the decision-making authority on matters of legislative, strategic, policy and community importance. Decisions of the governing body are made at Council Meetings, and the decisions are recorded in the minutes of the Council Meetings.

# AUDIT AND RISK

City of Parramatta Council established the Audit Risk and Improvement Committee (ARIC) in accordance with Section 428A of the Local Government Amendment (Governance and Planning) Act 2016. ARIC is an independent advisory committee that operates under its own designated Charter, to promote good corporate governance by providing independent objective assurance and assistance to Council.

The Committee consists of two Councillors and three independent external members, of which one is the external Chairperson. The Committee meets five times a year with four ordinary meetings and one special meeting to consider Council's Annual Financial Statements.

As of 30 June 2024, Committee members include:

- > Councillor Michelle Garrard
- > Councillor Sameer Pandey
- > Independent Member and Chair Dr Col Gellatly AO
- > Independent Member David Pendleton
- > Independent Member Jesse Jo

## INTERNAL AUDITS

Audits provide independent, objective assurance designed to add value and improve Council's operations. An internal audit contractor also ensures independence and autonomy from City of Parramatta's management and enables specialised knowledge and skills to be procured to conduct audits.

These activities are guided by an Internal Audit Charter and overseen by ARIC. During 2023/24, 11 internal audits were conducted across the following diverse operations:

Audit	Completed by
Control Assurance Map	Contractor
Overtime Practices	Contractor
Treasury and Investments	Contractor
Floodplain Risk Management	Contractor
Privacy	Contractor
Fleet Management	Contractor
Tree Management	Contractor
Grants and Contributions Received	Contractor
Access to RMS DRIVES system	Council Staff
Councillors Facilities and Expenses	Council Staff
Credit Card Usage	Council Staff

The audits assess the effectiveness of policies, guidelines, and controls. Action arising from audits allow development and improvements to governance and risk management.

New agreed controls are monitored by Council's Internal Audit Coordinator and reported to ARIC and Council's Executive Team.

## The Internal Ombudsman Shared Service (IOSS)

The Internal Ombudsman Shared Service (IOSS), shared between City of Parramatta, Cumberland City and Inner West Councils, is an 'independent ear' for the community, Councillors, Council staff and Council stakeholders. The IOSS undertakes the investigation of complaints and assists Councils with prevention and education activities.

IOSS operations are underpinned by the principles of procedural fairness, accountability and transparency.

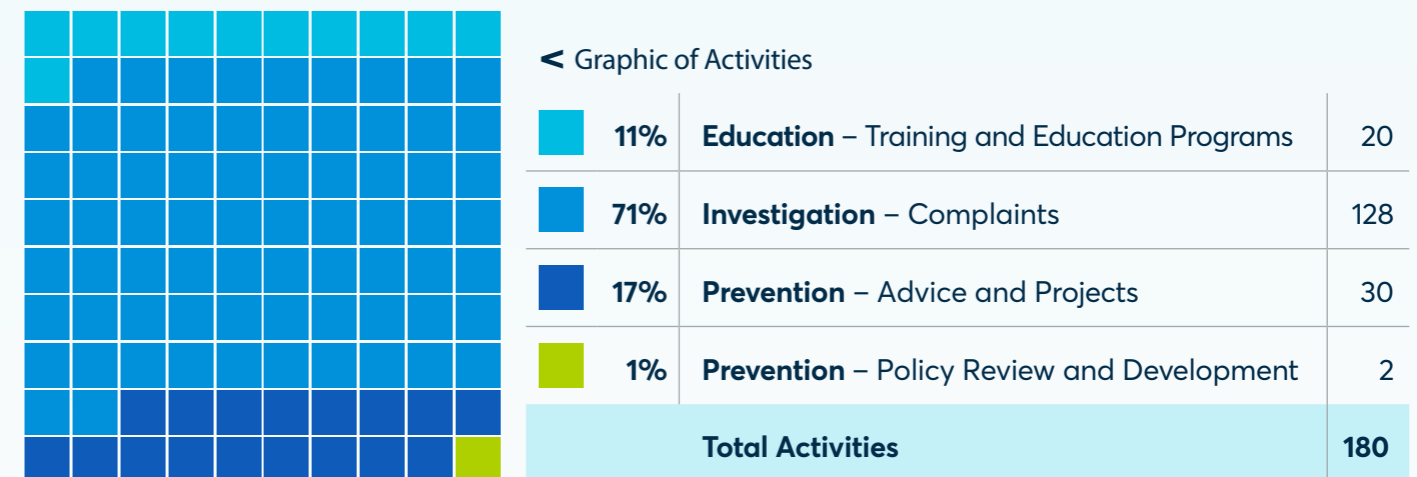

Over the last 12 months, the Internal Ombudsman Shared Service (IOSS) delivered 180 activities for the City of Parramatta, one of three Councils within the IOSS service. This included the assessment, management and response of 123 complaints, an increase on the year prior. The IOSS developed and delivered training - undertaking 20 training activities across the 12 months to improve the awareness and knowledge of Council officials in relation to the Public Interest Disclosures (PIDs) framework and to increase overall awareness of IOSS functions. Prevention activities slightly decreased given a reduction in requests for advice.

In the year ahead, the IOSS will strive to continue to deliver a high standard of service to all member communities and continue to work to increase accessibility of the service and efficiencies in delivery. The IOSS will assist Council with the newly elected Council body. The IOSS will continue to deliver quarterly Public Interest Disclosure officer training to ensure Council meets its statutory training requirements under the Public Interest Disclosure Act 2022 which came into effect from October 2023.

The IOSS assists member Councils to:

- Promote a high standard of ethical conduct and decision-making
- Improve administrative conduct and procedures
- Identify areas for improvement in the delivery of services to their communities
- Ensure they are acting fairly, with integrity and in their communities' best interest
- Deal effectively with complaints
- Work to improve their complaint handling systems
- Strive for a corruption-free organisation.

Activities of the Internal Ombudsman Shared Service for City of Parramatta Council from 1 July 2023 to 30 June 2024:

# OUR STRUCTURE AND SERVICES

AS AT 30 JUNE 2024

City of Parramatta is managed by an Executive Team with a diverse range of experience and expertise.

The Executive Team sets strategic and corporate priorities for the organisation, provides strategic vision and advice on the future of our City and organisation, and provides high level leadership and decision-making to improve and deliver outstanding services to our community.

# OUR ORGANISATION'S VALUES

Our values guide our behaviours and public service. All staff are encouraged to keep these values front of mind in all dealings with customers, partners, and fellow workers.

## INTEGRITY

We deliver on promises, act ethically, take responsibility for our actions and speak up respectfully. Integrity is the foundation on which everything is based.

## CUSTOMER FOCUS

We communicate openly with our customers, are responsive to their needs and create new relationships as our City grows.

## TEAMWORK

We support the role of leadership, collaborate within and across teams, and build effective partnerships with colleagues and our community to achieve our goals.

## INNOVATION

We build on our strengths, champion creative solutions, and seek new and sustainable opportunities.

Photograph: Anna Kučera.

# OUR PEOPLE

The City of Parramatta continues to be one of the fastest growing local governments in New South Wales.

To ensure we are delivering to our community and strategic objectives, we continue to invest in our leaders, future talent, and in developing an early careers program. We are prioritising employee connectedness and engagement by focusing on Diversity, Equity and Inclusion (DEI), and providing clarity and structure in our policies and procedures.

## OUR CURRENT WORKFORCE

City of Parramatta is committed to ensuring our workforce can deliver the strategic objectives set out in our Community Strategic Plan.

As at the 30 June 2024, City of Parramatta had 1498 employees engaged in paid work, 968 of which are permanent full-time employees, 102 permanent part-time employees, and 279 casuals.

### Employment Status (Number of staff 30 Jun 2024)

Casual Employee	279
Permanent Full Time	968
Permanent Part Time	102
Temporary Appointment Full-Time	14
Term Contract Full-Time	104
Term Contract Part-Time	31

## LENGTH OF SERVICE

The average employee tenure is 6.16 years. 60% have been employed for less than five (5) years. 8% have been employed for more than 20 years.

## EMPLOYMENT TENURE END OF JUNE 2023

	# Employees	Headcount by Tenure
26%	394	<1 year
34%	517	1–4 years
19%	288	5–9 years
8%	129	10–14 years
5.5%	87	15–19 years
7.5%	116	>20 years

## RECRUITMENT

During the 2023/24 financial year, 18,615 applicants applied for advertised positions at City of Parramatta. This is 4,455 more than the previous year and shows a relatively steady increase based on an increase of 5,000 in 2022/23. 40% of applications were via Seek,

12% via LinkedIn, and 27% direct from Council's website careers page. Advertised positions in customer service and libraries attracted the highest number of applications. Recruitment is primarily supported by an in-house team.

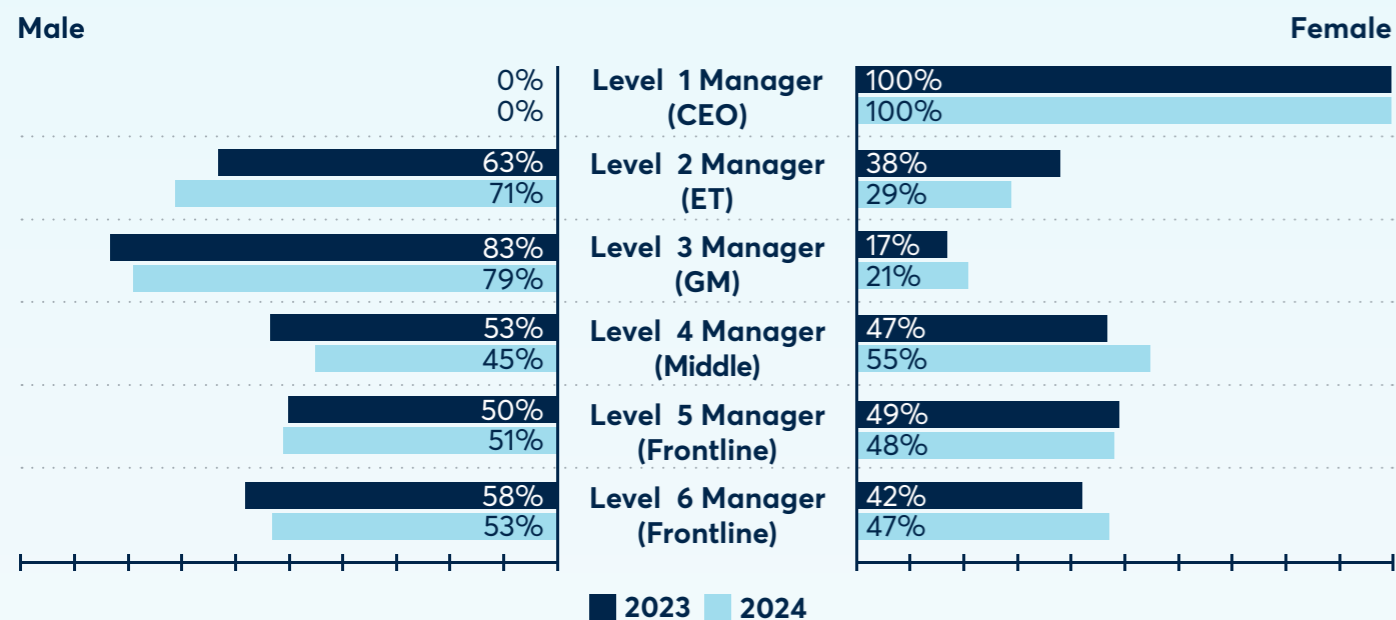

## AGE AND GENDER PROFILE

The age profile of our workforce remains relatively steady, consistent with other sectors and the general population. Our average age is 43 years old, with our greatest number of employees aged between 45 and 59.

The City of Parramatta has seen a rise in gender equality across its workforce with an increase

in our female workforce from 49% last financial to 50% for 2024 with greater representation in leadership roles. Led by a female CEO, women represent 29% of our executive leadership and 21% of our senior leadership; an increase of 4% in female representation. There has been an increase of 8% in female representation in middle management, and 5% in frontline leadership.

### Headcount by Gender

Gender Distribution	
Male	47%
Female	52%
Other	1%

### Headcount by Gender

Gender Diversity within Leadership	
Male	46%
Female	53%

### Diversity, Equity and Inclusion Survey 2023 (576 responses)

ATSI	1%
Disability	10%
Veteran	2%
Carer	43%

## DIVERSITY

Council continues to implement its Diversity, Equity & Inclusion Strategy, 'We Belong', focusing on attracting, developing, and retaining diverse talent while creating an inclusive workplace.

Our Employee Resource Groups (ERGs) sponsored by the executive team continue to raise awareness across Gender, LGBTQIA+, Disability, Early Careers and Veterans and now include a First Nations ERG.

Action plans from the Disability, Inclusion Action Plan 2022-2026 are on track including the roll out of Inclusive Recruitment training and Hidden Disability training available to all employees. Actions from the First Nations Strategy 2024-2029 are also progressing on track with a key focus on delivering cultural competency training and skills and development programs.

## CULTURE AND EMPLOYEE ENGAGEMENT

The City of Parramatta encourages all employees to have their say on our workplace culture – what is working well and areas for improvement – through formal surveys. The results shape the actions planned to improve the working experience.

As a result of last year's survey, we have reviewed our leadership development program and introduced an internal program that focuses on specific development areas highlighted in the engagement feedback. These programs, along with Learning Fest and Leadership forums provide opportunities to continue to uplift the capability and engagement of our leaders.

## LEARNING AND DEVELOPMENT

Council continues to implement the Learning & Development Strategy 2023-2026, embedding a culture of learning through initiatives such as Learning Fest, a biannual skills and development program available for all staff. In November 2023 Learning Fest focused on the 'Customer Experience' and in May 2024 on 'Leading People Effectively' and 'Tools to Empower You'.

In 2023/24 the Evolve Leadership program was completed by 69% of leadership staff and aspiring leaders. The Evolution 1.0 follow up program was completed by 346 staff covering a range of modules such as safety, change inclusive leadership, coaching and performance.

## WORK HEALTH AND SAFETY

Our Health & Wellbeing Action Plan has delivered a range of programs throughout 23/24 to support our staff. We prioritised preventative health services by delivering flu vaccinations, manual handling training, and skin checks. At risk workers were also offered Tetanus & Hepatitis vaccinations. Employee Assistance Program (EAP) remained available to all staff offering professional services and mental health support including but not limited to career coaching, depression and anxiety counselling, financial counselling and nutritional consultation.

The following initiatives are also available to staff to improve health and enhance wellbeing;

Fitness Passport gym memberships, wellbeing webinars and access to a free digital Health & Wellbeing app. Council's commitment to Mental Health First Aider training has maintained our recognition by MHFA Australia.

In 23/24 Lost Time Injury (LTI) and Medically Treated Injury (MTI) count is trending down. We saw an increase of reporting on worker and patron incidents, injuries and near misses with a total of 716 events reported (386 worker incidents and 330 patron incidents) in 23/24. Continuous improvement will prioritise review and analysis with our lead indicators on reporting timeliness, contractor compliance and corrective actions.

# AWARDS TO COUNCIL

# COMMUNITY ENGAGEMENT

City of Parramatta Council is committed to engaging our communities in a transparent, open, and accountable way. Community engagement provides

Council with valuable insights into our community's perspectives and priorities, enabling more informed decision-making and improved service delivery.

Participate Parramatta Council's online community engagement platform, remains as popular as ever, with 480,000 visits from more than 270,000 unique visitors in 2023/24. In the last year, we sought feedback on more than 70 projects, including:

In the last financial year, the City of Parramatta also commenced delivery of our ward workshop series. In late 2023 and then again in early 2024, Council hosted community workshops in each of our five wards.

Nearly 400 residents have been engaged face-to-face in the past 12 months on topics including Draft Parramatta 2050, the Community Strategic Plan refresh, Delivery Program 2025–29 and

Operational Plan 2025/26 (DPOP), as well as a review of Council's Community Engagement Strategy. Participants provided rich insights into what they love about where they live and what they want to see improved in their neighbourhoods.

\*Including Council's Annual Operational Plan and Budget.

# HOW HAVE WE DONE THIS YEAR?

Each Council term, Council develops a Delivery Program outlining its four-year commitments to the community, to support the long-term goals of our Community Strategic Plan. The Delivery Program is combined with a corresponding Operational Plan & Budget (the 'DPOP'), which spells out the key deliverables and budgets for each financial year.

Council's deliverables in the DPOP fall into two categories:

- > Projects that Council has committed to deliver during each year.
- > Key performance indicators (KPIs) for Council's ongoing service delivery.

This Community Report Card outlines Council's performance on delivering the projects, KPIs and budgets in the Delivery Program, Operational Plan & Budget in 2023/24.

Full progress reports on Council's Delivery Program can be found on [Council's website](#).

For every \$100 spent this year Council delivered:

# DELIVERING OUR COMMUNITY STRATEGIC PLAN GOALS

The following long-term community goals were developed from 2018 to 2022 to reflect the community's aspirations for the City of Parramatta.

In June 2022 Council reviewed and refreshed these goals to better align with contemporary priorities and impacts.

Our original 2018 Community Strategic Plan goals - are outlined below along with their supporting strategies:

-  **FAIR** — We can all benefit from the opportunities our City and neighbourhoods offer.
-  **ACCESSIBLE** — We can all take part and get to where we want to go.
-  **WELCOMING** — We foster belonging and celebrate culture and diversity.
-  **GREEN** — We value and care for our environment.
-  **THRIVING** — We are a nation-leading City with prospering communities and industries.
-  **INNOVATIVE** — We champion new ideas to create a better future.

# FAIR

We can all benefit from the opportunities our City and neighbourhoods offer.

The City of Parramatta works in collaboration with the community to promote equity of opportunity through access to essential services, education and resources that support health and wellbeing. Council facilitates important advocacy and opportunities for community members to have their say. This is also supported by high-quality facilities and infrastructure to meet the needs of all our growing and diverse communities.

> Our performance against our Delivery Program and Operational Plan this year for the Fair goal:

## Fair Projects

### Parramatta Aquatic Centre Opening

The Parramatta Aquatic Centre (PAC) is a partnership project with the NSW State Government. This multi-purpose and sustainable facility provides a new social space for the community, promoting health and wellbeing for people of all ages, abilities, interests, and backgrounds.

Opened on 25 September 2023, PAC covers 40,000 square metres and includes a 50m, 10-lane outdoor heated pool

with seating; a 25m indoor recreational pool; an indoor learn-to-swim pool; an indoor splash play area; multipurpose community rooms; spa and sauna facilities; fitness centre; café; and up to 180 parking spots.

Since opening the centre has seen more than 20,000 people attend swimming lessons, 4,000 school children attending swimming carnivals, and over 2,000 swim school program registrations.

### A Commitment to Affordable Housing

Housing affordability is a critical issue for Parramatta and Greater Sydney. In 2023, Council developed an Affordable Housing Action Plan which identifies direct actions and advocacy positions that Council will take towards improving housing affordability in the LGA during 2023-2025.

In May 2024, Council exhibited amendments to the Affordable Rental Housing Policy, which addresses the operational management of Council-owned affordable rental housing properties and complements the Affordable Housing Action Plan.

### Sport, Open Space and Recreation

Throughout 2023-24 Council progressed a number of key sporting and community infrastructure projects through to concept and detailed design phase. These upgrades are funded under The NSW Government's Western Sydney Infrastructure Grants Program and aim to provide high quality sporting and community facilities at locations throughout the LGA such as Somerville Park in Eastwood, Doyle Ground in North Parramatta, Max Ruddock Reserve in Winston Hills, Sue Savage Reserve in Toongabbie, West Epping Park Dog Off Leash Area and Kilpack Park in Carlingford.

In April 2024 Council placed the Sportsground Allocation Policy on exhibition. This policy aims to ensure that Council will allocate the use of its Sportsgrounds in a systematic approach which aligns with Council's broader Sportsground Strategy and values, including to actively contribute to the health, wellbeing, equality, and inclusion of the whole community.

In 2024, City of Parramatta also signed a three-year partnership with the Parramatta Eels to help cement the City's reputation as the home of sport, drive visitation and economic growth and build capacity in the community.

### The Social Sustainability Strategy 2024–2033

In June 2024 Council endorsed The Social Sustainability Strategy 2024-2033. This is Council's ten-year vision for an equitable and resilient Parramatta where residents are safe, socially connected, and have what they need to live

with dignity and to thrive. It establishes five priorities which will guide decision making in how Council plans and delivers community infrastructure, services, and programs.

### Meals on Wheels

During 2023/24 our Meals on Wheels volunteers have contributed more than 2,107 hours supporting participants and delivering more than

27,719 meals to ensure that vulnerable members of the community have access to healthy, nutritious meals.

### Active Parramatta

Active Parramatta is a Council initiative that provides free and affordable health and wellbeing programs that cater to people of all ages, abilities and backgrounds both online and in person. This past year The Active Parramatta Van offered over 130 free programs such as Gentle Exercise, Mobility Flow and Holistic Fitness to over 9,000 participants. The Health & Fitness programs including Zumba, Pilates, yoga, boxing and circuit training attracted over 1018 registrations.

Council's school holiday program - the largest free school holiday program in NSW, offered 161 activities with over 2,400 participants.

Council also partnered with the Australian International Sports Organisation to provide an eight-week multi-sport afterschool program informed by research from Western Sydney Health. Utilising the Active Kids Voucher program 653 children participating in this program.

"The Parramatta Aquatic Centre is a multi-purpose and sustainable facility that provides a new social space for the community, promoting health and wellbeing for people of all ages, abilities, interests, and backgrounds."

# ACCESSIBLE

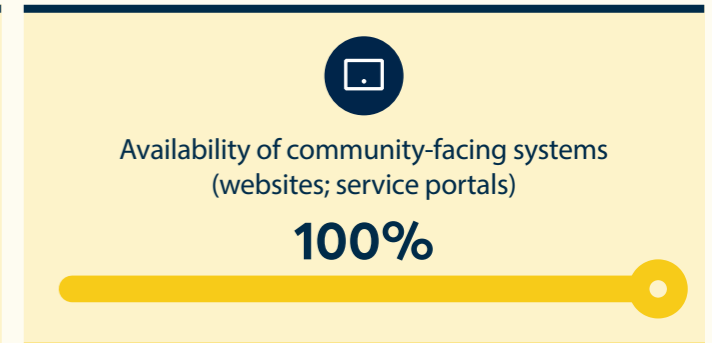

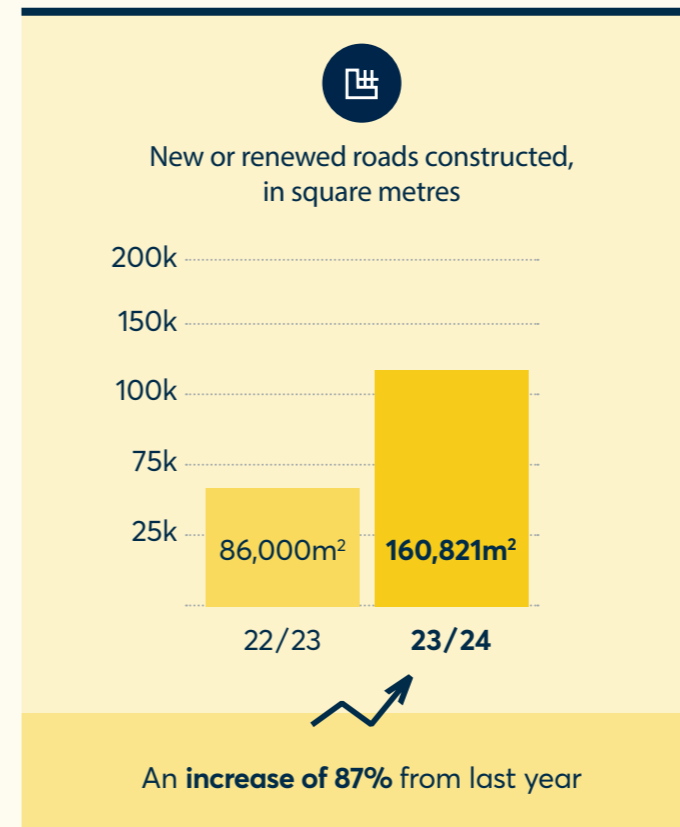

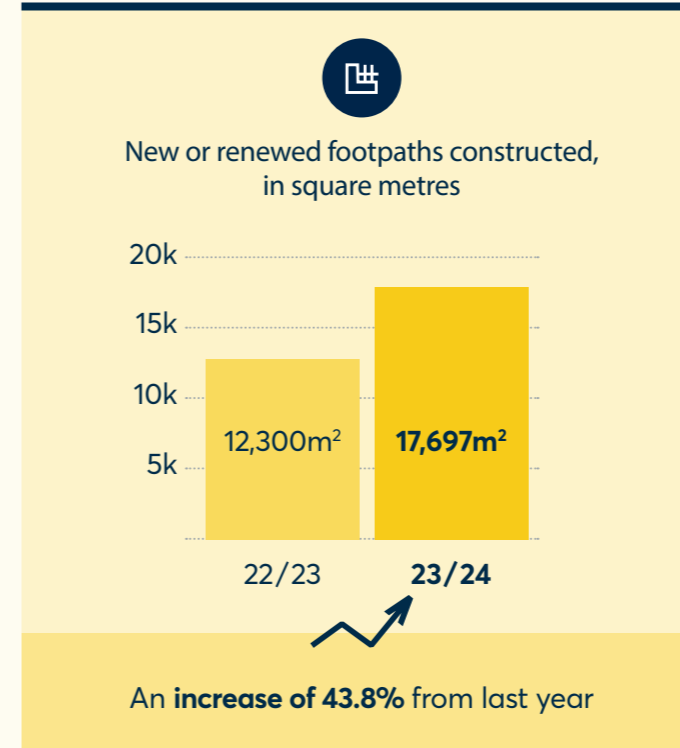

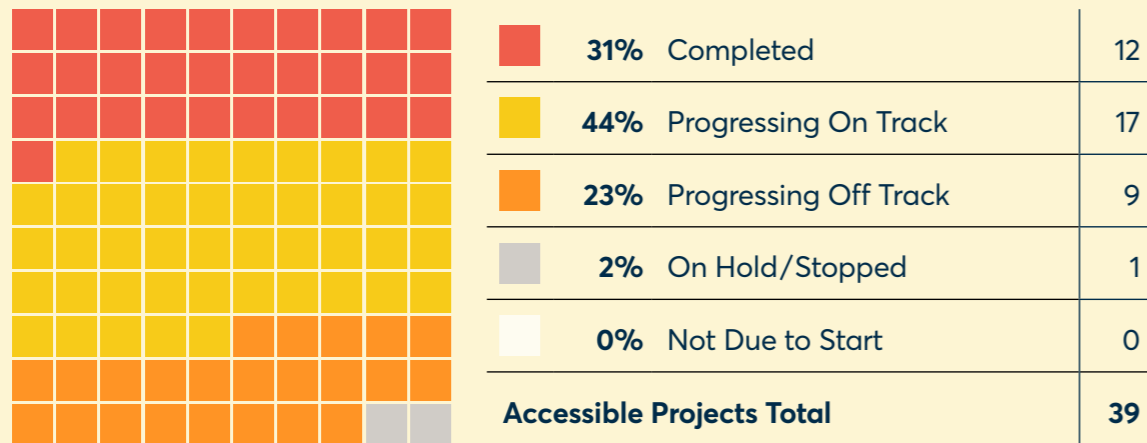

**We can all take part and get to where we want to go.**

As the City of Parramatta grows, an increase in sustainable, reliable and diverse infrastructure is essential to create greater connections and access for all commuting and travelling across the LGA. Integrated transport strategies that are driven by universal design, well planned location of jobs and educational opportunities and prioritising programs that promote inclusivity and awareness are driving Councils projects for the Accessible goal.

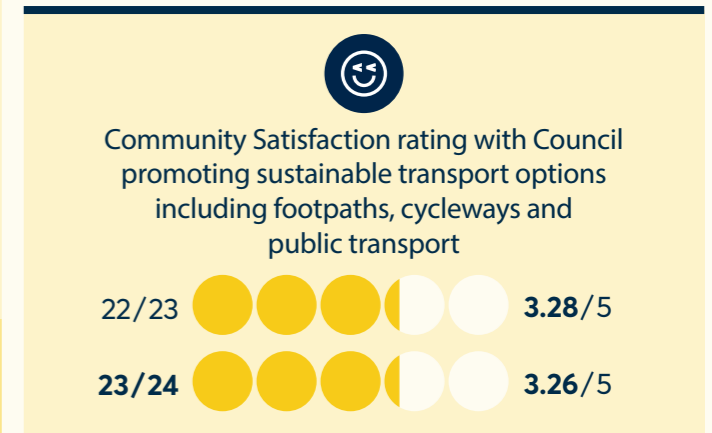

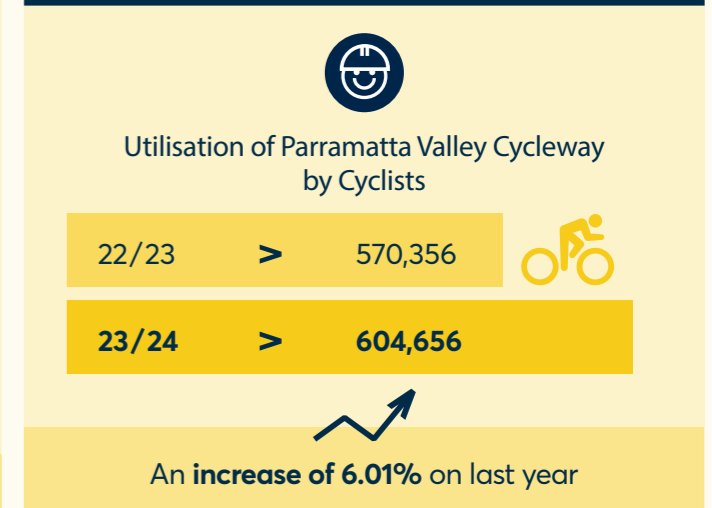

> Our performance against our Delivery Program and Operational Plan this year or the Accessible goal:

## Accessible Projects

> Council's goal is to achieve 99.5% excluding scheduled maintenance. Access to online services and information is essential to assist Council's reach throughout the community.

## Disability Inclusion Action Plan

City of Parramatta is delivering on key community outcomes identified in the Disability Inclusion Action Plan 2022-2026. Commitments over the last year include working with Autism Spectrum Australia (ASPECT) to create Autism friendly spaces and services, Auslan interpreted Story Time sessions at Council libraries, three digital wayfinding kiosks installed in the Parramatta CBD and an access audit completed for all playgrounds across the LGA to inform Council's accessible playground framework.

Council is also working with the Australian Network on Disability to develop a Workplace Adjustment Policy, and the Parramatta Aquatic Centre (PAC) is working to increase access for people with disability by providing opportunities for free trials and identifying quiet spaces and times for people who may struggle with sensory overload.

## The Parramatta Bike Plan

The Parramatta Bike Plan was endorsed by Council on Tuesday 11 June 2024. This Plan looks at opportunities to invest in new and existing cycleways and create a better user experience for the community including:

To enhance the productivity and liveability of Parramatta through an increase in cycling, helping foster healthy and connected residents, workers and visitors.

For cycling to be safe and perceived as a safe and attractive option for all members of the community, for those aged 8 through to 88.

To increase the proportion of people cycling in Parramatta to 5% of all trips to work, and 10% for those ending in the CBD

## Alfred Street Bridge

In October 2023, a new gateway into the City of Parramatta was officially opened. The Alfred Street Bridge is both a distinctive landmark and an important piece in a growing network of active transport links, which will make it easier for pedestrians and bike riders.

The 4.5-metre-wide, 200-metre-long bridge spans the Parramatta River between James Ruse Drive and Gasworks Bridge.

It provides the City's growing population with a convenient, safe and scenic connection over the river, directly to the Stage 1 Parramatta Light Rail.

The \$19 million project, co-funded by Council (\$7.5million) and the NSW Government (\$11.5 million), is Australia's first true diagonal arch bridge.

## Parramatta Light Rail Advocacy

Council's successful advocacy to the NSW Government to progress Stage 2 of the Parramatta Light Rail resulted in the Department of Planning Housing and Infrastructure providing planning approval for Stage 2 in February 2024.

Stage 2 will connect Stage 1 and the Parramatta CBD to Sydney Olympic Park via Camellia, Rydalmere, Ermington, Melrose Park and Wentworth Point.

## Enhancing Pedestrian and Cyclist Networks

Plans are underway for four new pedestrian and cyclist projects - Bennelong Parkway Bridge and Paths, Toongabbie to Westmead Corridor, Kleins Road Corridor, and the Wilderline to Duck River Paths. These plans were presented to the community for feedback March and April 2024 and include proposals for new footpaths and bike paths, safer crossing facilities, boardwalks and bridges to improve pedestrian and cyclist infrastructure.

Pedestrians and cyclists travelling through Rydalmere have a safer connection to Parramatta with the completion of the raised combined pedestrian and cyclist crossing on Brodie Street.

This project is funded by the NSW Government's Parramatta to Sydney Foreshore Link.

Council has also progressed the George Street East Pedestrian and Cyclist Paths through the detailed design phase and the Norwest T-Way Shared Path and Ermington Foreshore Stage 3 into the construction phase which will begin in later 2024.

# WELCOMING

We foster belonging and celebrate culture and diversity.

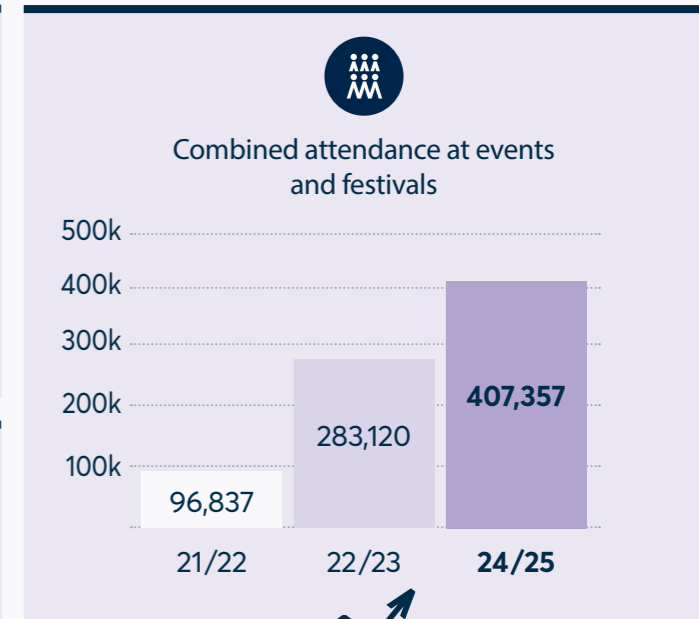

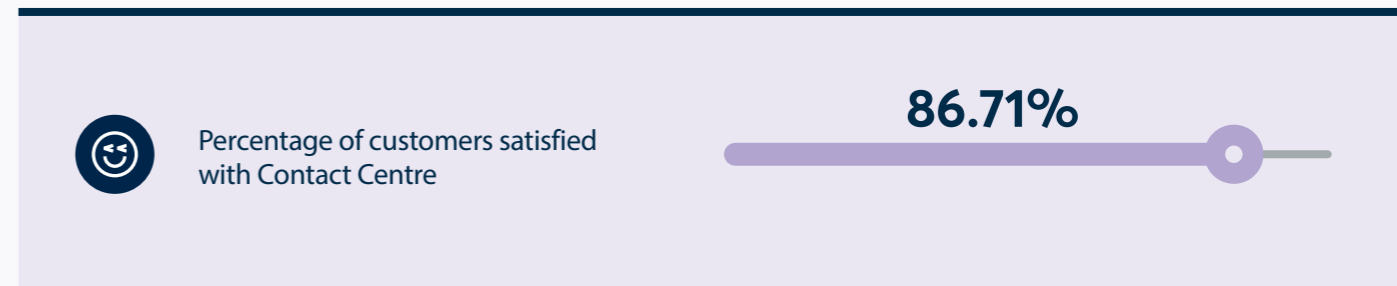

Council takes pride in celebrating the city's community and highlighting its the finest aspect; it's cultural diversity. Baramada/Burrumatta has always been an important meeting place for First Nations people and today Parramatta is a meeting place for people from all around the world. The City of Parramatta celebrates this through its active events and festival program each year. Our community infrastructure promotes Parramatta's unique heritage and diversity, to support connection and inclusivity.

> Our performance against our Delivery Program and Operational Plan this year for the Welcoming goal:

## Welcoming Projects

35.5%	Completed	11
61.5%	Progressing On Track	19
3%	Progressing Off Track	1
0%	On Hold/Stopped	0
0%	Not Due to Start	0
<b>Welcoming Projects Total</b>		<b>31</b>

This is a **43.88% increase** on last year

- > Throughout 2023/24 Council provided over **\$1 million** in grants and sponsorship to support more than **150 organisations and festivals** via:
- Community Grants
  - Local Heritage Grants
  - Council Support
  - Sydney Festival
  - The Night Time Economy Grants
- > See Appendix 1 for further details

### First Nations Strategy 2024-2029, WARAMI & Ngana Birrung

City of Parramatta’s relationship with Dharug and the First Nations community reached a new milestone with completion and launch of the ground-breaking First Nations Strategy 2024-2029 at the City’s meeting place, Parramatta Town Hall on 2 May 2024.

This Strategy was developed in consultation with the First Nations community, service providers, staff and the wider community and is focused around five pillars: social justice, cultural leadership, social cohesion, celebration, and accountability. It embodies a unique framework

specific to the City of Parramatta, demonstrating Council’s commitment to the fundamental principles of the Uluru Statement of the Heart: **Voice, Makarrata (meaning ‘Treaty’ in Yolngu), and Truth.**

**WARAMI** is Council’s overarching festival for First Nations events and programs for Sorry Day and Burrumatta NAIDOC Week. **Ngana Birrung** held in March 2024 is an initiative of Council which unites First Nations musicians from across the Country and provides a platform for local artists.

### Parramatta Lanes 2023

From 11 – 14 October 2023 Parramatta Lanes attracted more than 180,000 visitors across 15 laneways and roof top car parks offering a range of street food, live music, and cultural experiences. Local restaurants, food trucks, and pop-up stalls showcased multicultural cuisines, and 120 musicians performed, with more than 50% of

artists from Western Sydney. Three public artworks were featured including Lawrence Liang’s Bloom sculpture illuminating St John’s Lawn.

A special ‘Festival of Lights’ event was also held on Saturday 14 October 2023 to celebrate the sights, sounds and colours of the South Asian community.

### Cultural Celebrations

Each year, Council celebrates it’s cultural diversity through a range of programs and events. In February 2024 Parramatta came alive with art installations, street food, live entertainment, cultural workshops and performances to celebrate Lunar New Year. The event also provided insight into history and culture through the ancient art of traditional Chinese calligraphy, lanterns, a wishing

tree, traditional tea sampling and roving dragon and lion dances.

Diwali is also a significant celebration in Parramatta with almost 29,000 Indian-born local residents. Council supported a range of community-led events such as Little India Diwali Celebration in Harris Park on 18 November 2023.

### Riverside Theatres Redevelopment Project

Riverside Theatres is the premier performing arts venue in Western Sydney. In May 2024, the highly anticipated winning design for the redevelopment of Riverside was announced. Featuring a 1,500 seat Broadway-style lyric theatre with First Nations inspired interiors, the iconic design also includes the refurbishment of the iconic 760-seat Riverside Playhouse Theatre, construction of an all-new 430-seat ‘Black Box’ drama/performance theatre, an all-new

80–100 seat digital development studio / digital cinema and enhanced public spaces, foyers, food and beverage and function spaces.

This redesign will help establish the venue as a world-class performing arts centre, that will attract major Australian and international works to Parramatta whilst also creating a space where everyone feels welcomed and inspired and which embodies our commitment to cultural inclusion and creative excellence.

### Parramatta Town Hall

Parramatta Town Hall has a rich legacy serving as a key community gathering space since 1883. The recent \$30 million upgrade includes the restoration of original features as well as the addition of a light-filled, modern glass atrium that directly opens onto the vibrant Parramatta Square, and integrates with PHIVE, Parramatta’s new community, cultural and civic hub.

The seamless blend of heritage architecture and contemporary design, demonstrates our ongoing commitment to conserving heritage and embracing a new and exciting phase in the City’s transformation.

### Programs at PHIVE

Programs at PHIVE have continued to be popular amongst children and families with school holiday workshops and hands-on activities booking out. ‘Creature’, an interactive light display, and ‘Beetle’, a physical storytelling performance, provided low

and no-cost opportunities for families in Western Sydney to engage in arts and culture experiences. Sea of Light was a highlight of the events and programming calendar with 30,241 free tickets being snapped up by local families.

“Riverside Theatres is the premier arts venue in Western Sydney.”

# GREEN

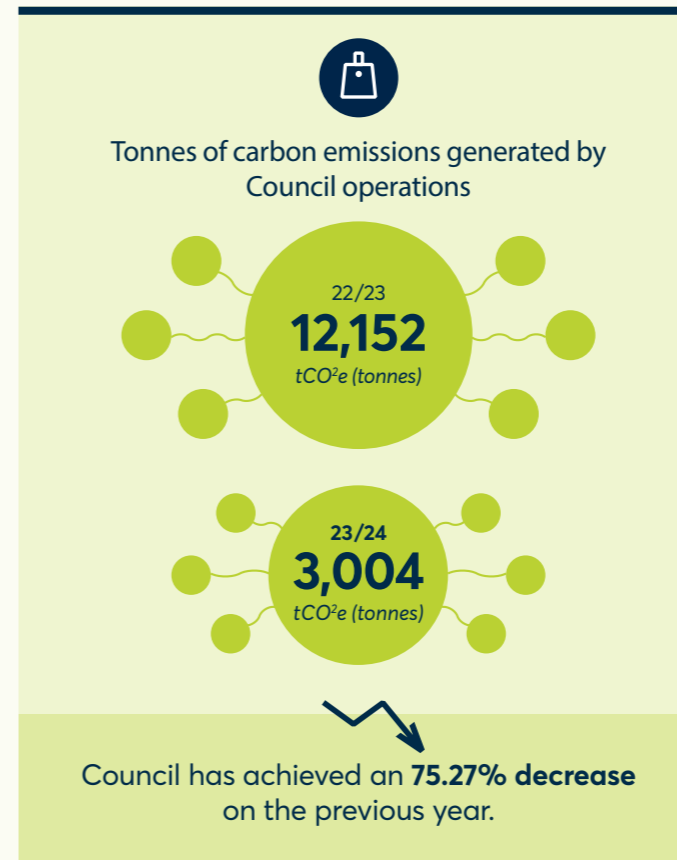

**We value and care for our environment.**

Parramatta is a City surrounded by nature. Our environment is integral to our identity and wellbeing and helps improve the liveability and productivity of our city. Our Green goal ensures we continue to prioritise sustainable design and infrastructure, improve and protect our natural assets and develop programs and processes to reduce our waste and impact on the local environment. As a river city within an urban setting, we are required to build resilience, foster a regenerative city through a circular economy and adapt to climate change so we can continue to maintain and connect to our natural environment, bushland and biodiversity.

> Our performance against our Delivery Program and Operational Plan this year for the Green goal:

## Green Projects

> tCO<sub>2</sub>e includes

> To help our environment, Council aims to provide high quality, efficient and reliable domestic and commercial waste services managed in a sustainable way.

Council met its goal to divert a minimum of **50%** of waste from landfill each quarter

## Environmental Sustainability Strategy 2024–2033

Throughout 2023/24 Council continued to review the draft Environmental Sustainability Strategy 2024-2033. This is Council’s ten-year vision that focuses on regeneration, resilience and climate

action that will guide Council’s decision making and encourage environmental actions and outcomes that bring people and nature together.

### City for Nature

As a city for nature, Council has worked with partners and the community to give the city a green make-over including:

- > **Greening Parramatta Program:** In partnership with NSW State Government, over 1900 trees have been planted in streets and parks, prioritising areas vulnerable to urban heat.
- > **Parramatta Light Rail Tree Planting:** In partnership with Transport for NSW, more than 937 trees are being planted to replace those removed during the light rail construction.
- > **Community Tree Champions:** A volunteer program engages residents in tree planting, with 70+ Tree Champions fostering community ownership.
- > **National Tree Day:** Council hosts a major tree-planting event, with volunteers planting 10,000 plants each July.
- > **Bushcare:** volunteers have contributed 9,267 hours to weed removal, habitat restoration, and tree planting in bushland reserves.
- > **Canopy Plan:** For Parramatta to be a great city, it needs truly great trees. Throughout 2023/24 Council developed a report on progressing the Canopy Plan. The report included a range of preliminary actions that establish first steps towards improving organisational capacity in tree delivery and management.

These initiatives aim to create a greener and more sustainable Parramatta, with active community involvement in preserving and enhancing the natural environment.

### Parramatta River Flood Study

The Parramatta River Flood Study was endorsed by Council in June 2024. City of Parramatta will now share the endorsed 2024 Parramatta River Flood Study and modelling with stakeholders and the community and begin work on the

Draft Floodplain Risk Management Study and Plan. This will explore options to reduce flood risk to property and will consider works such as levee banks, flood detention basins, house raising, property acquisition and community education.

### eDNA survey

Hundreds of species could be identified as Parramatta becomes one of the first NSW councils to use new Environmental DNA (eDNA) testing as part of its biological survey of waterways to improve its local biodiversity.

All animals and plants shed fragments of their DNA into the environment, which is then washed into creeks and rivers. This new technique takes a forensic investigative approach to analysing the DNA samples and cross-matching them to a database.

### Sustainability at the PAC

The Parramatta Aquatic Centre (PAC) has been designed with environmental performance front of mind. From sourcing ecological materials to water harvesting and alternative energy options, Parramatta’s newest community facility strikes the right balance between having the power to treat and heat water, keep the lights on and maintain a comfortable temperature, and delivering on Council’s sustainability mission to do more and use less.

Some key features include rooftop solar panels, expansive skylights made from a lightweight material Ethylene tetrafluoroethylene (ETFE) that helps improve the buildings energy consumption, three rain gardens to collect stormwater and an integrated centralised plant, located at the basement of the building, that will deliver waste, heat and energy efficiencies.

### FOGO

Food Organics and Garden Organics (FOGO) is a new way to recycle your food scraps and garden waste and reduce landfill at the same time. Council staff have been actively engaging the community with a range of educational activities and resources on-line and in-person to ensure our residents are up to date on the FOGO roll-out

Council also has a dedicated FOGO customer service team, engaged additional staff to assist the process and revised all collateral to ensure consistent messaging on FOGO across the LGA.

FOGO in Parramatta is due to commence its first phase in November 2024 for residents in houses, town houses and unit building with 30 dwellings or less. The second phase for larger building will commence in 2025.

V  
 “This is Council’s ten-year vision that focuses on regeneration, resilience and climate action.”

# THRIVING

We are a nation-leading City with prospering communities and industries.

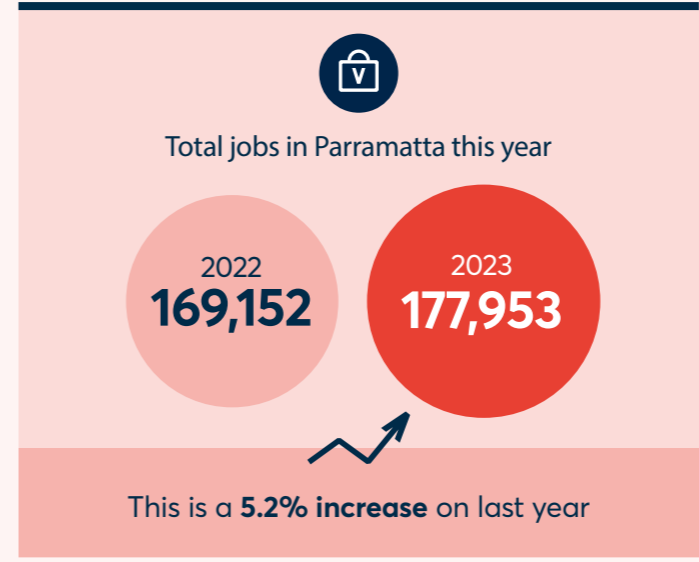

Our Thriving strategic goal recognises the importance of diversifying our economic, employment and tertiary opportunities. This is achieved through industry partnerships, strategic policy, private and public investment, and city-shaping infrastructure. Through this process our communities become vibrant and sustainable places with improved business exchange, arts and cultural activity, community engagement and state-of-the-art sports and entertainment facilities.

> Our performance against our Delivery Program and Operational Plan this year for the Welcoming goal:

## Thriving Projects

- > Council works collaboratively to support sustainable economic growth by
  - supporting small business
  - attracting investment
  - leveraging strategic partnerships with key stakeholders

- > Increased investment in the City of Parramatta provides more accessible and diverse job and educational opportunities.
- > With the development of new transport opportunities the City of Parramatta's strategic vision is to position Parramatta as Western Sydney's jobs engine.

### Charles Street Square

With the \$12m+ transformation of Charles Street Square now complete and officially opened on 27 November 2023, Parramatta Quay welcomes residents and visitors to a new riverfront gathering place that connects people to Parramatta's unique stories.

Celebrating the point where salt water and fresh water meet, Charles Street Square now offers a distinctive arrival for ferry passengers with easy-to-navigate ramps and stairs making connections between the Parramatta River and the CBD accessible to all.

City of Parramatta's design for Charles Street Square draws inspiration from the curved geometry of the river, the surrounding landscape, and the site's unique history. This vibrant public space now offers a wide riverside promenade, an amphitheatre, garden terrace and City square.

Cultural heritage aspects form part of the visitor experience, with opportunities to scan small QR codes inlaid into seating to learn more about the people, places and events that have shaped Parramatta over time.

### Parramatta Artist Studios Relocation

Parramatta Artists' Studios is home for creative production in Western Sydney, providing a contemporary and collaborative art space, which connects artists with community and contributes to a vibrant culture.

Through our supported studios, as well as our digital residencies, we offer tenancies, residencies, career development opportunities and community connected programs.

PAS Granville opened in May 2024, and together with the Rydalmere studios offers fourteen new spaces for artists. PAS is committed to providing a culturally safe and uninterrupted space for First Nations artists and community members, offering a space for them at the new Granville location.

Since 2006 PAS has provided hundreds of aspiring and recognised artists with opportunities to develop their studio-based practices, a rarity across Sydney.

We have a growing community of alumni who are at the forefront of contemporary artistic practice in Australia, some have earned international recognition for their work, such as contemporary artist Serwah Attafuah, who exhibited work at Amsterdam's Felix Meritis last year and is in the Biennale of Sydney this year.

Serwah Attafuah, 2023–24 PAS Rydalmere Studio Artist. Photograph: Anna Kučera.

### Parramatta Late-Night Trading DCP

City of Parramatta Council endorsed the Parramatta Late Night Trading Development Control Plan (DCP) to form Part 10 of the Parramatta Development Control Plan 2023 at its meeting on 24 June 2024.

The Late-Night Trading DCP controls will apply to the Parramatta City Centre and provide detailed guidelines for business seeking to trade in the evening and early morning hours. The DCP also requires new sensitive receiver developments (such as new residential or office buildings) within the Parramatta City Centre to include appropriate

noise amelioration measures to ensure that future residents or workers will not be affected by late night trading noise.

The Late-Night Trading DCP is consistent with Council's strategic documents that set out Council's vision for Parramatta City Centre as a future 24-hour night time economy promoting a safe, thriving, and diverse range of opportunities to serve local residents and visitors with appropriate safeguards to monitor and balance amenity considerations.

### Parramatta's World Cup Live Site

Parramatta turned into fan central for 31 days across July and August for one of the biggest sports events in Sydney in 2023 – the 2023 FIFA Women's World Cup. During this time a sold-out crowd of 80,000 descended on Sydney Olympic

Park for the Women's World Cup semi-final with thousands more watching the action at live sites across the Parramatta CBD including two sites at Parramatta Square and one at Centenary Square.

### Supporting Social Enterprise

The Good Gift Guide and markets celebrate and promote businesses that make a difference for communities and the environment. Launched just before Christmas, the guide and markets featured local enterprises, fair trade, ethical purchasing and environmentally friendly businesses, indigenous owned/founded businesses, charities and more.

The markets were held in Centenary Square on Social Enterprise Day and featured stalls from the guide, making it easy to find unique gifts that make a positive difference to the world.

“We have a growing community of alumni who are at the forefront of contemporary artistic practice in Australia.”

Photograph: Katherine Lu

# INNOVATIVE

We are a nation-leading City with prospering communities and industries.

With the scale of transformation that Parramatta is undergoing, managing growth is one of the top concerns for our community. Focusing on our Innovative strategic goal meant understanding that the future of Parramatta is much more than bricks and mortar – it includes best practice in city design, technology, creativity and connectivity. It is not simply about growth: it is about becoming smarter. Inspired by some of the world’s greatest cities, Parramatta will leverage the foundations of good urban planning.

> Our performance against our Delivery Program and Operational Plan this year for the Welcoming goal:

## Innovative Projects

Number of businesses registered in targeted industries (Education and Training and Professional, Scientific and Technical Services)

> Council aims to ensure it is financially sustainable and provides transparent, value for money services, according to the priorities of the community

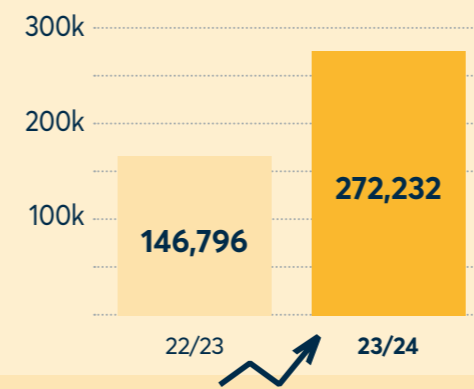

Community mean rating of "Council is forward thinking"

Community mean rating of "Council is innovative"

Number of visits to the Participate Parramatta engagement platform

This is an **85.22% increase** on the previous year.

Number of Smart City Initiatives

This is **expected to increase for 24/25** with the implementation of Council's Smart City and Innovation Strategy 2024–2033.

> Council innovates digital engagement by leveraging interactive platforms, employing data-driven insights and incorporating user feedback, we tailor our online presence to address community needs effectively and enhance civic participation.

### Civic Link

The \$21 million project, part funded by the NSW Government will be Parramatta’s grand promenade, providing a vibrant green pedestrian spine running from Parramatta Square to the Parramatta River.

It will connect the railway and light rail with the future Sydney Metrowest, and the Powerhouse Parramatta Museum at the river’s edge. It will be an iconic pedestrian boulevard, a place to gather, celebrate culture and enjoy nature.

Designs for the city-shaping project reflect Parramatta’s deep connection to the river and incorporate the use of innovative infrastructure with integrated lighting, CCTV, environmental sensors, dynamic signage, public WIFI and recharge points. TStage 1 was exhibited in early 2024 and expected to be completed in 2027.

### Lake Parramatta Swimming Area Upgrade

Lake Parramatta is one of the most significant and beautiful bushland remnants in Western Sydney, with a diversity of native flora and fauna. The upgrade to the Lake Parramatta swimming area includes improved amenity, access and general visitor safety.

A critical component of this upgrade was the construction of an underwater retaining wall. To avoid draining the lake and impacting the local environment, Council utilised innovative technology to reduce costs, risk and impacts to the environment including:

- > Single beam echo sounder bathymetry and static marine seismic refraction to measure the lakebed and substrate depth and underwater topography, and inform the construction material and methodology of the wall
- > Innovative construction materials including highly durable geofabric bags filled with sand and gravel that provides greater flexibility and lakebed surface traction.

The project and swimming area site officially opens on Saturday 26 October 2024. Further information about this innovative project can be found on [Council's website](#).

### Bringing People, Ideas and Tech Together at CoLAB

CoLAB was an exciting step in Parramatta’s journey as a smart city. The successful program launched in October 2023, provided the opportunity to experiment with emerging technology, including virtual and augmented reality, 3D printing and AI.

The CoLAB technology lab was created in partnership by the City of Parramatta and Western Sydney University’s Launch Pad technology business incubator, following community requests for more spaces for networking and collaboration. Council recently endorsed a 10-year Smart City and Innovation Strategy which will look to further promote advanced ideas and technology.

### Phillip Street - Smart Street Stage 2

Council is moving forward with the second stage of upgrade works along Phillip Street, Parramatta, connecting the planned upgrades of Parramatta Wharf and Charles Street Square to the Eat Street Precinct and Bankwest Stadium. In October 2023 detailed designs were finalised, informed by community consultation and the tender process completed in early 2024.

The proposed works include the widening of the footpath on the southern side of Phillip Street between Smith Street and Charles Street to accommodate outdoor dining, as well as the installation of an ‘urban forest’ of mature trees and ‘smart city elements’ such as condition-response lighting, street furniture with built-in USB charging ports, smart irrigation, CCTV, environmental monitoring, compactor bins with sensors, digital screens and water misting.

### Places to Love

The Yilabara Path in Parramatta introduced an innovative approach to urban design with its groundbreaking glow-in-the-dark ground mural, a first of its kind in the Parramatta LGA. This mural, created by First Nations artist Leanne Redpath (Watson) in collaboration with artists Tina Barahanos and Alexandra Byrne, enhances the aesthetic appeal of the path while also improving visibility and safety during nighttime hours. The glowing elements are strategically integrated into the path’s design, incorporating traditional Aboriginal motifs and storytelling elements that illuminate under ambient light conditions.

This project, funded by Transport for NSW, sought to empower the local Dharug community in Indigenous-led place naming and placemaking, educating the wider community about Dharug language, culture and history. This involved working with Dharug consultants, Elders and an Aboriginal identified artist to name an unnamed lane and co-design a public artwork for the site. This transformed one of the few direct pedestrian connections between Phillip Street and the Parramatta River foreshore into a vibrant and inviting space.

### Smart City and Innovation Strategy 2024–2033

Throughout 2023/24 Council continued to review the Smart City and Innovation Strategy 2024–2033. This ten-year strategy sets Council’s vision for a vibrant, sustainable and connected Parramatta. Extensive consultation was undertaken with the community to provide information about the project, obtain feedback and involve them in the journey of drafting the Strategy.

City of Parramatta aims to create a culture of exploration with innovation at the centre, championing local initiatives and utilising data to make decisions about how to improve our City.

Right: Yilabara Path.

## SERVICE LEVEL REVIEWS

Progress on the delivery of the service reviews council has committed to undertake, the results of those reviews and any changes made to levels of service:

In 2023/24, Council completed a service review of its Waste and Cleansing services with an aim to ensure the Business Unit is fit for purpose and continues to provide a service to the community as expected and aligns with the direction of the City's 2050 vision.

Council also undertook a review of the Regulatory Services business unit with a view to ensuring the service levels are adequate and in line with the direction set by the Parramatta 2050 vision. The review was successfully completed and presented to the Councillors in July 2024. The recommendations resulting from the review are planned to be implemented in stages, with the first stage beginning in 2024/25.

---

## MODERN SLAVERY ACT STATEMENTS

This Modern Slavery Statement is provided by City of Parramatta in accordance with Modern Slavery Act 2018 (Commonwealth), NSW Modern Slavery Amendment Act 2021 and Section 428 (4) of the NSW Local Government Act 1993.

The Minister for Home Affairs will keep all reports in a public repository, the Modern Slavery Statements Register, which may be accessed by anyone, free of charge, on the internet. City of Parramatta did not receive any issues raised by the Anti-slavery Commissioner during the 2023/24 reporting period.

This statement outlines the City of Parramatta's commitment to combatting modern slavery and the measures we have implemented during this reporting period to take reasonable steps to reduce the risk of our procurement activities resulting in or contributing to human rights violations. We are also committed to ensuring there is transparency in our processes and in our approach to tackling modern slavery throughout our supply chains. City of Parramatta expects the same high standards from all our contractors, suppliers, and other business partners.

## Procurement spend details:

What was your entity's total procurement spend in this reporting period, to the best of your knowledge? \$261,510,666.16

Complete the following table with information for this reporting period:

GRS Due Diligence Level	Identified procurement spend  <i>To complete this column, add up the total value of all procurements you are aware of at each GRS Due Diligence Level during the reporting period. Record the aggregate value at that GRS Due Diligence Level - do not break it down by product or service category procured.</i>	Categories procured  <i>List the categories of good or service that you procured using each GRS Due Diligence Level during the reporting period. If applicable, use the relevant procurement category taxonomy in the IRIT (i.e. the procurement category taxonomy at Level 3).</i>

## ANNUAL MODERN SLAVERY REPORTING

Significant operational issues (section 31(1)(a) of the *Modern Slavery Act 2018* (NSW))

Identify any 'significant operational issue' that has been identified as such to your entity during the reporting period, by the NSW Anti-slavery Commissioner, and explain the steps taken to address this issue.

City of Parramatta is committed to acting ethically and with integrity in its business dealings and relationships and to implementing and enforcing effective systems and controls to ensure modern slavery is not taking place within its' organisation or in any of its' supply chains.

- We have implemented mandatory questionnaires in our tender and high value RFQ documents, that suppliers must complete for compliance to proceed to the next stage of the process.
- We record the data provided from suppliers to establish appropriate records.
- Council has included Modern Slavery Clauses in all council contracts which are executed by both parties.
- Procurement process/procedure includes the requirement to assess that the tendered price allows for at least the minimum level of wages and other entitlements required by law. Procurement staff attend conferences and networking meetings to keep abreast of any updates in legislation and current news relating to modern slavery.
- Incorporated the ability to rate the inherent Modern Slavery Risk of all contracts entered into our contract register.
- Reporting of modern slavery activity via questionnaires received through tender process.

### Future Initiatives Planned

- Staff awareness of modern slavery and Council's policy and expectations.
- Developing a standalone modern slavery policy
- Modern slavery risk assessment of Council suppliers
- Targeted modern slavery risk assessment and supplier risk management
- Incorporating the ability to rate the inherent Modern slavery risk for all suppliers that are active in our supplier database.
- Mapping modern slavery GRS categories to historical supply chain categories.

## REASONABLE STEPS

Describe the steps taken to ensure that goods and services procured by and for the entity during the reporting period were not the product of modern slavery:

Reasonable Steps Taken	Form of Response for Annual Reporting	Response Mandatory / Optional for Annual Reporting
<b>1. Commit</b>		
<b>1.1 Stakeholder Engagement</b>		
What steps did your entity take to engage with stakeholders during this reporting period in relation to modern slavery?	<ul style="list-style-type: none"> <li>We have implemented mandatory questionnaires in our tender and high value RFQ documents, that suppliers must complete for compliance to proceed to the next stage of the process.</li> <li>We record the data provided from suppliers to establish appropriate records.</li> <li>Council has included Modern Slavery Clauses in all council contracts which are executed by both parties.</li> <li>Procurement process/procedure includes the requirement to assess that the tendered price allows for at least the minimum level of wages and other entitlements required by law. Procurement staff attend conferences and networking meetings to keep abreast of any updates in legislation and current news relating to modern slavery.</li> </ul>	Mandatory
Did you engage with external stakeholders on modern slavery risks in this reporting period?	Yes, we have implemented mandatory questionnaires in our tender and high value RFQ documents that suppliers must complete for compliance to proceed to the next stage of the process.	Mandatory
<b>1.2 Identify salient risks at the organisational level</b>		
What steps did your entity take to identify salient modern slavery risks at the organisational level (i.e. across all operational and procurement activities) during this reporting period?	<p>We have incorporated the ability to rate the inherent Modern Slavery Risk on all contracts entered our contract register from \$150k and above.</p> <p>Our next step is to identify all our suppliers by risk categories and map out our supply chain.</p>	Mandatory
Did you conduct	No, we have only been using the Inherent Risk	Mandatory

or update a Salient Modern Slavery Risk Assessment in this reporting period?	Identification Tool (GRS).	
<b>1.3 Modern Slavery Policy</b>		
What steps did your entity take to adopt a Modern Slavery Policy during this reporting period?	Council has adopted a Procurement Policy that went to Council on the 28/08/2023 outlining Council's commitment to preventing and addressing modern slavery in all its procurement activities.	Mandatory
Do you have a modern slavery policy, approved by your senior governing body (e.g. Agency Head / Secretary), in place?	Yes <a href="https://www.parramatta.nsw.gov.au/council-policies">Council Policies   City of Parramatta (nsw.gov.au)</a>	Mandatory
Does your modern slavery policy include high-level targets?	No	Optional
<b>1.4 Modern Slavery Risk Management Plan</b>		
What steps did your entity take to adopt a Modern Slavery Risk Management Plan during this reporting period?	No, we have not yet developed a Modern Slavery Risk Management Plan.	Mandatory
Do you have a modern slavery risk management plan, approved by your senior management, in place?	No	Mandatory
Does your plan assign accountability for performance against high-level targets to specific roles?	No	Optional

2 Plan		
2.1 Identify and map your supply-chain risks for each procurement		
What steps did your entity take to identify and map your modern slavery risks at the supply-chain level during this reporting period?	<p>We have incorporated the ability to rate the inherent Modern Slavery Risk on all contracts entered our contract register from \$150k and above.</p> <p>Our next step is to identify all our suppliers by risk categories and map out our supply chain.</p>	Mandatory
2.2 Develop a risk-reducing sourcing strategy		
What steps did your entity take to develop a modern slavery risk-reducing sourcing strategy during this reporting period?	For all tenders we used the Inherent Risk Identification Tool (GRS) and ensured we had the correct clauses in our contracts and ensured we received and reviewed the Modern Slavery Questionnaire.	Mandatory
In what percentage of procurement processes was modern slavery factored into your entity's sourcing strategy or other procurement planning activities during this reporting period?	Percentage – Reporting currently being developed.	Optional
3 Source		
3.1 Select appropriate suppliers		
What steps did your entity take to address modern slavery risks when selecting suppliers during this reporting period?	<p>We have implemented mandatory questionnaires in our tender and high value RFQ documents, that suppliers must complete for compliance to proceed to the next stage of the process.</p> <p>Procurement process/procedure includes the requirement to assess that the tendered price allows for at least the minimum level of wages and other entitlements required by law. Procurement staff attend conferences and networking meetings to keep abreast of any updates in legislation and current news relating</p>	Mandatory

	<p>to modern slavery.</p> <p>Our Modern slavery clauses have been designed to align with the GRS Model tender Clauses for modern slavery legislation.</p> <p>We currently do not use prequalification schemes over \$250k due to their non-compliance with local government legislation.</p>	
In what percentage of competitive procurement processes were the Model Tender Clauses used during this reporting period?	100% for all Council request for tender spend occurred	Optional
<b>3.2 Adopt a shared responsibility approach to contracting</b>		
What steps did your entity take to adopt a shared responsibility approach to modern slavery risks, in contracting during this reporting period?	Only the Procurement team have done awareness training in Modern Slavery, and we aim to develop an e-learning module for all staff/ suppliers in the next reporting period.	Mandatory
In what percentage of competitive procurement processes were the Model Contract Clauses used during this reporting period?	NA	Optional
<b>4 Manage</b>		
<b>4.1 Monitor and evaluate supplier performance</b>		
What steps did your entity take to monitor and evaluate supplier performance relating to modern slavery, during this reporting period?	Not currently implemented	Mandatory

Has your entity required any of your Tier 1 suppliers to undergo an audit addressing modern slavery risks in this reporting period?	No	Mandatory
What percentage of your Tier 1 suppliers underwent an audit addressing modern slavery in this reporting period?	Percentage - Nil	Optional
During the reporting period, what percentage of your Tier 1 suppliers' workforce were surveyed about their working conditions?	Percentage - Nil	Optional
What percentage of your Tier 1 suppliers' workforce are temporary migrant workers?	Percentage - Nil	Optional
What percentage of workers engaged by your Tier 1 suppliers in the last reporting period paid or incurred a fee to secure their engagement?	Percentage - Nil	Optional
<b>4.2 Develop supplier capabilities</b>		
What steps did your entity take to develop supplier capabilities relating to modern slavery risks during this	Only the Procurement team have done awareness training in Modern Slavery, and we aim to develop an e-learning module for all staff and suppliers in the next reporting period.	Mandatory

reporting period?		
What percentage of your entity's Tier 1 suppliers reported that they had participated in modern slavery training during this reporting period?	Percentage - Nil	Optional
<b>5 Remedy</b>		
<b>5.1 Provide or enable access to effective grievance mechanisms</b>		
What steps did your entity take to provide or enable access to effective modern slavery grievance mechanisms during this reporting period?	Process to be developed	Mandatory
How many complaints relating to modern slavery associated with your operations or the goods or services you procure were lodged during the reporting period, whether with your organisation's grievance mechanism(s) or with others?	Percentage - Nil	Optional
<b>5.2 Take safe immediate steps to remedy harm</b>		
What steps did your entity take to safely and immediately remedy modern slavery harms to which you were connected during this reporting period?	We have not had any modern slavery harms that have been brought to our attention in this reporting period.	Mandatory

<i>5.3 Use leverage to remediate deficient practices</i>		
What steps did your entity take to use leverage to remediate deficient modern slavery risk management practices during this reporting period?	We have not had any modern slavery harms that have been brought to our attention in this reporting period.	Mandatory
In how many procurement contracts or arrangements was a material breach related to modern slavery formally notified during this reporting period?	Percentage - Nil	Optional
<i>5.4 Withdraw responsibly</i>		
What steps did your entity take to withdraw responsibly during this reporting period, in connection to modern slavery risks?	We have not had any modern slavery harms that have been brought to our attention in this reporting period.	Mandatory
How many procurement contracts or arrangements were terminated on modern slavery grounds during the reporting period?	Percentage - Nil	Optional
<i>6 Report</i>		
<i>6.1 Establish a victim-centred reporting protocol</i>		
What steps did your entity take to establish a victim-centred modern slavery reporting protocol during	We have not had any one report suspected Modern Slavery but if this were to happen we would advise them to do the following:  For a concern or complaint not involving a	Mandatory

<p>this reporting period?</p>	<p>Council staff member or representative you should report this to the Australian Federal Police. This can be done anonymously using their <a href="#">online form</a>, Alternatively call 131 AFP (131237) or email <a href="mailto:NOSSC-Client-Liaison@afp.gov.au">NOSSC-Client-Liaison@afp.gov.au</a></p> <p>In case of an emergency, call 000.</p>	
<p>Do you have a modern slavery reporting protocol in place that prioritises the interests of the victim/survivor?</p>	<p>No, we would advise them to do the following:</p> <p>This can be done anonymously using their <a href="#">online form</a>, Alternatively call 131 AFP (131237) or email <a href="mailto:NOSSC-Client-Liaison@afp.gov.au">NOSSC-Client-Liaison@afp.gov.au</a></p>	<p>Mandatory</p>
<p><i>6.2 Report on your modern slavery risk management efforts</i></p>		
<p>What steps did your entity take to report on your modern slavery risk management efforts during this reporting period?</p>	<p>We are developing our GRS categories, implemented a new technology platform that allows better categorisation for suppliers, incorporated modern slavery clauses into high value and high-risk tenders.</p>	<p>Mandatory</p>
<p>Did your entity report on modern slavery in its prior Annual Report?</p>	<p>Yes</p>	<p>Mandatory</p>
<p>During the period, did your entity comply with its obligations to report heightened modern slavery due diligence procurements valued at \$150,000 (inc. GST) or more within 45 days?</p>	<p>Yes</p>	<p>Mandatory</p>
<p><i>7 Improve</i></p>		
<p><i>7.1 Learn lessons from your performance and others'</i></p>		
<p>What steps did your entity take to learn lessons from your modern slavery performance and</p>	<p>We identified the need for an enhanced technology solution to better classify inherent risk methodology against our suppliers to report and develop future strategies as part of staff education.</p>	<p>Mandatory</p>

others' during this reporting period?		
Has your entity updated its modern slavery policies or procedures based on stakeholder feedback or lessons from a grievance mechanism during this period?	No	Mandatory
<i>7.2 Train your workforce</i>		
What steps did your entity take to train your workforce during this reporting period?	Only the Procurement team have done awareness training in Modern Slavery, and we aim to develop an e-learning module for all staff and suppliers in the next reporting period.	Mandatory
What percentage of your workforce received modern slavery training in the period?	1.2%	Mandatory
<i>7.3 Cooperate with the Anti-slavery Commissioner</i>		
What steps did your entity take to cooperate with the Anti-slavery Commissioner during this reporting period?	<ul style="list-style-type: none"> <li>• Our Procurement team has subscribed to all notifications that the Anti-Slavery Commissioner sends out</li> <li>• We have been to events that the commissioner has spoken</li> <li>• We have the model tender clauses in our tender documents</li> </ul> <p>We are an active member of Local Government Procurement and are in constant communication with our surrounding</p>	Mandatory

---

## PARTICULARS OF ANY ENVIRONMENTAL UPGRADE AGREEMENTS (EUAs) ENTERED INTO BY COUNCIL

The City of Parramatta did not enter into any Environmental Upgrade Agreements (EUAs) during the 2023/24 reporting period.

This type of private finance is tailored to suit common building upgrades to existing non-residential, non-strata buildings that result in an environmental improvement. Upgrades involving solar, air-conditioning systems, building management systems, hot water boilers, refrigeration units, lifts, lighting, bathroom renovations, and façade are eligible for building upgrade finance.

Enabling Building Upgrade Finance is the EUA contract between the building owner, finance provider and council, where the:

- Finance provider provides the finance to the building owner.
- Building owner agrees to complete the upgrade works.
- Council secures the finance to the land and facilitates repayment to the finance provider through the rates collection processes.

---

## SUMMARY OF ACTIVITIES FUNDED VIA A SPECIAL RATE VARIATION (SRV) OF GENERAL INCOME

The Local Government Act 1993 provides that a council may set a special rate for or towards meeting the cost of any works, services, facilities or activities provided or undertaken, or proposed to be provided or undertaken, by the Council within the whole or any part of the Council's area.

There were no activities at City of Parramatta funded via a special rate variation during the 2023/24 reporting period.

---

## AMOUNT OF RATES AND CHARGES WRITTEN OFF DURING THE YEAR 2023/24

Type	Amount
Mandatory Pensioner Rebate	\$1,772,369
Voluntary Pensioner Rebate	\$589,097
Postponed Rates Write-off	\$21,909
Small Balances	\$762
Rates - Sydney Metro	N/A
Total	\$2,384,137

## SECTION 67

### Summary of resolutions made under section 67 concerning work carried out on private land

Under section 67 of the Local Government Act 1993, Council must provide a summary of the resolutions of work carried out on private land. The following table presents these resolutions made during FY 2023/24:

Cost of Works	Summary of Works
\$200,000	<p>Through the Better Neighbourhood project, works to the value of approximately \$200,000, were allocated to Billbergia for the delivery of a temporary playground and social space for community use in the 'Town Square' located at Wentworth Place and Footbridge Boulevard, Wentworth Point 2127.</p> <p>Council entered into an agreement with Billbergia to deliver and maintain the project on its land for a minimum period of two years as part of its temporary development of the Town Square and require the play equipment to be returned to Council at the completion of the project.</p>

## TOTAL AMOUNT CONTRIBUTED OR OTHERWISE GRANTED TO FINANCIALLY ASSIST OTHERS

Under section 356 of the Local Government Act, Council may, in accordance with a resolution of the Council, contribute money or otherwise grant financial assistance to persons for the purpose of exercising its functions. A proposed recipient who acts for private gain is not ineligible to be granted financial assistance.

## STATEMENT OF ALL EXTERNAL BODIES THAT EXERCISED FUNCTIONS DELEGATED BY COUNCIL

The Independent Hearing and Assessment Panel (IHAP) was established by Council in August 2016. It was replaced on the 1 March 2018 by the Parramatta Local Planning Panel (PLPP); after the Minister for Planning mandated Local Planning Panels for the Greater Sydney Region and Wollongong. The creation of the PLPP is in accordance with section 2.17(2) of Environmental Planning and Assessment Act 1979.

In accordance with section 2.18(2) of the Environmental Planning and Assessment Act 1979, the PLPP is made up of the following 4 members:

- an approved independent person appointed as the chairperson of the panel with relevant expertise, and
- 2 other approved independent persons with relevant expertise, and a representative of the local community who is not a Councillor or mayor.

Relevant expertise refers to expertise in at least one area of planning, architecture, heritage, the environment, urban design, economics, traffic and transport, law, engineering, tourism or government and public administration.

The processing and assessment of these applications is undertaken by the staff of the City of Parramatta Council. The PLPP assumes the functions of Council as a consent authority under Part 4 of the Environmental Planning and Assessment Act 1979. As per the Ministerial Direction issued under section 9.1 of the Environmental Planning and Assessment Act 1979, the PLPP determines the following applications:

1. Conflict of interest – development for which the applicant or landowner is:

- the Council
- a Councillor
- a member of staff who is principally involved in the exercise of Council's functions under the Environmental Planning and Assessment Act 1979
- a member of parliament (either the parliament of NSW or Parliament of the Commonwealth), or
- a relative (within the meaning of the Local Government Act 1993) of a person referred to in (b) to (d) but not development for the following purposes which requires:
  - internal alterations and additions to any building that is not a heritage item
  - advertising signage
  - maintenance and restoration of a heritage item, or
  - minor building structures projecting from a building façade over public land (such as awnings, verandas, bay windows, flagpoles, pipes and services, and sun shading devices)

2. Contentious Development – development that:

- a. in the case of a Council having an approved submissions policy – is the subject of the number of submissions set by that policy, or
- b. in any other case – is the subject of 10 or more unique submissions by way of objection.

3. Departure from development standards – development that: contravenes a development standard imposed by an environmental planning instrument by more than 10% or non-numerical development standards.

4. Sensitive Development

- a. designated development

- b. development to which State Environmental Planning Policy No. 65 – Design Quality of Residential Flat Apartment Development applies and is 4 or more storeys in height
- c. development involving the demolition of a heritage item
- d. development for the purposes of a new licensed premises, that will require one of the following liquor licenses:
  - i. a club license under the Registered Clubs Act 1976, or
  - ii. a hotel (general bar) license under the Liquor Act 2007, or
  - iii. an on-license premises license for public entertainment venues under the Liquor Act 2007
- e. development for the purposes of a sex services premises and restricted premises development applications for which the developer has offered to enter into a planning agreement. Panels only deal with s. 4.55(2) modifications that meet the current LPP criteria for conflicts of interest, contentious development or departure from development standards.

Panels only deal with s. 4.55(2) modifications that meet the current LPP criteria for conflicts of interest, contentious development or departure from development standards.

---

## CORPORATIONS, PARTNERSHIPS, TRUSTS, JOINT VENTURES – CONTROLLING ENTITY

Statement of all corporations partnerships, trusts, joint ventures, syndicates or other bodies in which council held a controlling interest.

Civic Risk Mutual joint ventures - management of public liability and property insurance.

---

## CORPORATIONS, PARTNERSHIPS, TRUSTS, JOINT VENTURES

Statement of all corporations, partnerships, trusts, joint ventures, syndicates or other bodies (whether or not incorporated) in which the Council participated during the year.

Council has not participated in an corporations, partnerships, trusts, joint ventures, syndicates or other bodies.

---

## STATEMENT OF ACTIVITIES UNDERTAKEN TO IMPLEMENT ITS EEO MANAGEMENT PLAN.

Council is committed to delivering fair and equitable opportunities. In 2023/24, we continued to implement our Diversity, Equity & Inclusion Strategy which is focused on attracting, developing, and retaining diverse talent while fostering an equitable and inclusive workplace. We continue to implement and embed the principles in Council's Equal Employment Opportunity (EEO) Management Plan 2022–2025. EEO principles were instilled throughout our People and Culture practices and policies, and our Community Plans (i.e., First Nations Strategy, Domestic & Family Violence Action Plan, and the Disability Inclusion Action Plan 2022-2026).

In alignment with the EEO, Council's new premises 9 Wentworth Street has been fitted with a multi-faith room, parent room and gender-neutral toilets to help create a more inclusive workspace. Education to support an inclusive workplace has been introduced including 'Inclusive recruitment training' delivered in June 2024, and our internal run leadership development now includes an 'Inclusive Leadership' module. In partnership with Australian Disability Network we have also launched a Hidden Sunflower disability awareness eLearning.

Employee Resource Groups (ERG), sponsored by the Executive Team, continue to actively raise awareness on Gender, LGBTIQ+, Disability, Early Careers, and Veterans matters, and our First Nations ERG was launched in June to support our First Nations Strategy. We continue to hold external partnerships with Australian Disability Network, ACON/Pride in Diversity, Job Access, and Autism Spectrum Australia, to support an inclusive workplace.

---

## TOTAL REMUNERATION OF THE CEO AND SENIOR MANAGEMENT

Legislation requires that the total remuneration costs reported include the value of the salary component of the package, the amount of any bonus payments, performance payments or other payments made that do not form part of the salary component, the amount payable by the Council by way of the employer's contribution or salary sacrifice to any superannuation scheme, the value of any non-cash benefits under the package and the amount payable by the Council by way of fringe benefits tax for any such non-cash benefits.

	Salary	Other Non-Cash Benefits	Super	Total Package
CEO	\$472,601.20	\$15,000	\$27,398.80	\$515,000.00
Senior Staff	\$2,248,165.97	\$45,000	\$175,714.64	2,468,880.61
<b>TOTAL</b>	<b>\$2,720,767.17</b>	<b>\$60,000</b>	<b>\$203,113.44</b>	<b>\$2,983,880.61</b>

---

## PERSONS WHO PERFORMED PAID WORK

Statement of total number of persons who performed paid work on Wednesday 14<sup>th</sup> February 2024, including in separate statements, total number of:

The number of persons who performed paid work on 14 February 2024	
on a permanent full-time basis	779
on a permanent part-time basis	57
on a casual basis	75
under a fixed-term contract	87
the number of persons employed by the council who are "senior staff" for the purposes of the Local Government Act 1993	5
the number of persons engaged by the council, under a contract or other arrangement with the person's employer, that is wholly or principally for the labour of the person	25
the number of persons supplied to the council, under a contract or other arrangement with the person's employer, as an apprentice or trainee.	0
<b>Grand Total</b>	<b>1028</b>

## STATEMENT DETAILING THE STORMWATER MANAGEMENT SERVICES PROVIDED

City of Parramatta Council is responsible for the care and maintenance of a stormwater drainage portfolio with a replacement value of \$784M (as at 31 January 2024).

Council's drainage assets include:

- 543 km of stormwater pipes,
- 23,300 stormwater structures (pits), and
- 74 other types of stormwater assets including gross pollutant traps

The following projects show the allocation of budget and expense sourced from the Stormwater Management Service Charge (Stormwater Levy).

Project	Description	Original Budget	Actual	Comment
Parramatta River Flood Study	The flood modelling work involved a comprehensive catchment investigation which included detailed hydrological and hydraulic modelling of the catchment study area.	407,078.81	221,858.95	Flood Study Modelling and Report adopted by Council 11 June 2024.
Riparian Maintenance	Works in or adjacent to waterways including vegetation management, litter removal, exotic riparian tree removals and sediment removal from basins.	874,660	847,707.25	Contract for management of exotic vegetation (weeds) within and along priority Parramatta's waterways, including Lake Parramatta River, Toongabbie Creek and Ponds/Subiaco Creek.
Special Drainage Maintenance	Investigation of drainage asset condition and repair	123,412.92	353,054.16	Completion of CCTV inspections plus jetting and robotics

				repair at various locations.
Stormwater Drainage Renewal Program	Servicing and maintenance of various stormwater pollution traps after rainfall events.	150,000	62,717.74	Completed over 50 pit and lintel repairs from backlog list. Completed works off Lamorna Ave and Orchard Rd Beecroft
Pollution Trap Clean	Servicing and maintenance of various stormwater pollution traps after rainfall events.	150,000	62,717.74	Gross pollutant traps cleaned quarterly and after significant rain events. A total of 64 tonnes of litter, sediment and organic matter removed.
Waterways Litter Removal	Manual litter collection from waterways and litter boom servicing	80,797	47,041.66	Manual litter collections along the Parramatta River Foreshore, Toongabbie Creek, Ponds/Subiaco Creek and other waterways were undertaken, equating to 19 tonnes of litter and dumped items.
Waterway monitoring	Monitoring of water way health and condition through direct sampling, analysis and auditing services.	121,362	110,578.56	Monitoring of water quality at Lake Parramatta during swimming season, and auditing of Council's gross pollutant traps to consider condition and performance ratings.
Stormwater Drainage Construction Program	Upgrade and renewal of existing stormwater pipe infrastructure.	265,000	405,144.04	The following works were completed at:  29 Eastwood Ave, Eastwood  2B Fleet Street, North Parramatta  17 Preston Road, Old Toongabbie

				55 George Street & Horwood Place, Parramatta
Parks Stormwater Reuse Program	Installation of new stormwater harvesting tanks and treatment system of water reuse.	240,000	0	Works reallocated to the 2024/25 year for Ollie Webb Reserve, Parramatta.
Waterways Restoration	Sediment basin construction, drainage line stabilisation, creek crossings and associated planning and design.	100,000	23,329.62	Completed works: Robin Hood Reserve bank stabilisation Subiaco Creek (Joseph St) bank stabilisation McCoy Park Toongabbie Leachate wetland
Protecting Dams Capital Works program	Inspection and maintenance works to ensure Council declared dams are in satisfactory operation order.	100,000	14,947.82	Lake Parramatta Dam – Remedial works identified in surveillance report
A'Becketts Creek Flood Study	Flood modelling and study options for the A'Becketts Creek catchment	60,600	11,493.34	Draft Flood Study completed with public exhibition in FY25
Stormwater Treatment and Reuse Asset maintenance	Proactive inspection, monitoring and maintenance of Council's stormwater and rainfall tank systems.	52,500	47,309.76	Monitoring, repair and maintenance of stormwater/rainwater tanks, pumps and treatment equipment.

Council's Stormwater Assets Long Term Capital Works Program requires significant investment to address various flood mitigation and draining improvement works in identified areas.

The initial acquisition and construction costs of any asset represent only a portion of the costs over its lifecycle. New assets require ongoing funding to operate, maintain, renew, and dispose of in the future.

The total amount of funding received during 2023/24 from the Stormwater Levy was \$2,114,323. The balance of under spent funds are returned to the externally restricted reserve.

---

## COMPANIAN ANIMALS ACT AND REGULATION

Details statement, prepared in accordance with such guidelines as may be issued by the Director-General from time to time, of Council's Activities during the Year in relation to enforcing, and ensuring compliance with, the provisions of the companion animals act 1988 (CA ACT) and the companion animal regulation 2018.

### Companion Animal Statistics

Reportable dog attacks	37
Number of animals de-sexed	259

### Information on Companion Animals Management

Councils are required to include in their annual reports a detailed statement of their activities during the year relating to the management and enforcement of the Companion Animals Act 1998 (CAA), ensuring compliance with the CAA for both dogs and cats.

### Educational Programs

Council's annual subsidised desexing program, in conjunction with local participating vets, was run in the June/July period, however it was adversely impacted by staff shortages being experienced by local veterinarians. Subsequently Council was not able to undertake our annual Vaccination and Microchipping Day (in conjunction with the RSPCA) due to the same impacts.

However, Council was partnered with the RSPCA for the Keeping Cats Safe at Home program which focused on desexing both owned cats and colony cats to prevent unwanted litters. Through both programs we were able to desex 246 cats and 13 dogs.

Council continues to provide free pet tags and microchipping to all its residents' pets to prevent animals entering the animal holding facility and to assist with returning lost pets' home.

The council maintains signage at each of its off-leash dog parks as to acceptable and unacceptable dog behaviour along with Council's contact details if users need to make reports of dog attacks or other incidents.

Animal Management expenditure	
Animal Management Activities	Cost (\$)
Pound Costs	\$586,201
Officers' salary costs (5 officers – 4 x AMO's and 1 x AEO)	\$536,896
Ancillary Costs	\$101,415
Education Expenses – desexing 2023, various equipment for officers and temporary holding facility etc.	\$13,469
Total Expenditure	\$1,237,981

Council staff attended community events for various charity/ rescue groups to provide education regarding the CAA and free microchipping services. In addition, Council is continuing with free engraving of name/contact tags.

#### Animal Holding Procedures

Council utilised Blacktown Animal Rehoming Centre (BARC) for the last financial year to hold, release, sell, rehome or euthanise companion animals from Parramatta LGA including animals that come from both residents and Council staff. BARC has two strategies relevant to the rehoming of unclaimed animals through advertising and the sale of unclaimed animals to new owners and rehoming through a number of reputable rescue groups, which significantly reduces the number of animal's euthanised.

The euthanasia rate for rehoming dogs for the last financial year was 0%, with a total of two dogs euthanised which were either unsuitable for rehoming or a declared 'dangerous or menacing' dog. The euthanasia rate for rehoming cats was also zero with no feral or undomesticated cats entering the facility.

Council also uses its own temporary holding facility where possible for reuniting pets with their owner, therefore avoiding animals entering BARC where fees apply and, due to financial hardship, may not be claimed. Council has doubled its holding capacity at our temporary holding facility to eight kennels in response to higher capacity rates being experienced by all Animal Holding Facilities across NSW, including BARC.

Council returned 79 dogs to owners in lieu of transportation to BARC. Council has also formed working relationships with a number of reputable rescue groups for assistance in taking on kittens and other animals at high risk of not being claimed or rehomed, such as dumped/ timid/old animals. This further helps reduce the possible euthanasia rate of these at-risk animals.

Animal Holding Facility Categories	Total Number	Total %
Euthanasia rate for rehoming dogs	0	0
Euthanasia rate for dangerous or not suitable dogs	2	2

Dogs returned to owners from temporary holding facility	39	49
Cats released through sale or to rescue organisations for rehoming	26	83
Euthanasia rate for rehomable cats	0	0
Euthanasia rate for cats assessed as feral or unsuitable to be rehomed	0	0

Council has the following off leash parks:

- Cowell's Lane Reserve, Ermington
- McCoy Park, Toongabbie
- Deakin Park, Silverwater
- 11 Don Moore Reserve, North Rocks
- Barnett Park, Winston Hills
- Burlington Memorial Park, Northmead
- Dan Mahoney Reserve, North Parramatta
- George Kendal Riverside Park, Ermington
- Pierre De Coubertin Park, Newington
- John Wearne Reserve, Carlingford

---

## REPORT ON COMPLIANCE WITH THE CARERS RECOGNITION ACT 2010 (CR ACT)

Council has provided both formal and informal support to 32 carers within Community Care Services.

Type of support provided to carers:

- Referring carers to the Carer Gateway for specific information, education, and training
- Referral to Care Finders - Care finders help people access aged care services and connect with other relevant supports in the community
- Provision of meals through Meals on Wheels
- Social support and connection for carers with other people through volunteer visitations or social inclusion group activities

- Non-accredited assistance in interpretation and translation provided to carers from a culturally and linguistically diverse background who speak little or no English
- Assistance or advocacy in situations where carers may be experiencing difficulties with navigating housing, telecommunication companies, National Disability Insurance Scheme or My Aged Care
- Information during major incidents, for example extreme heat and flooding, Council maintains contact with a person's carer or emergency contact to keep them informed of latest warnings and ensure they are safe.

#### Staff who are carers

Council provides a range of flexible work arrangements to enable staff to manage their work and personal responsibilities including with carer's responsibilities to better manage work and carer's responsibilities, including such as, full-time, part-time, and casual work; flexible working hours; and rostered day off systems.

Some flexible work options for staff who are carers include:

- Variation to Core Work Hours
- Part-time hours
- Flexi-time
- Time in lieu
- Rostered Days Off
- Job Sharing
- Leave without Pay
- Working from Home
- Remote Work

Council's flexible working policy supports all employees to balance work and carer's responsibilities. Taking into account operational requirements, Council also considers requests for flexibility to substantive working arrangements for carer's responsibilities on an individual basis.

## COUNCIL'S DISABILITY INCLUSION ACTION PLAN REPORT

Council reported to the Department of Communities and Justice on progress of the current Disability Inclusion Plan on 30 November 2023 using the Department supplied reporting template. Council is estimated to have completed 50% of the plan as of July 2024. Actions are tracked in terms of in-progress, delayed, not started or completed, and percentage progress towards completion.

Many actions continue to be in-progress and focus on establishing new systems and procedures within Council and services to the community.

As of June 1, 2024, current completed and significantly progressed projects include:

- Creation of original images containing diverse people with disability participating in community life as equal community members around Parramatta, to be used across all Council communication products and channels.
- Staff Autism information sessions and an Autism-friendly site assessment of the Parramatta Aquatic Centre, leading to a plan to address recommendations, under a partnership with Autism Spectrum Australia (ASPECT) to increase understanding of Autism and to create Autism friendly spaces and services.
- Free trials of Parramatta Aquatic Centre facilities have been provided to raise knowledge and confidence in people with disability to access Centre facilities and programs.
- Integrating Auslan interpreted Story Time sessions for children into Library programming.
- Increasing digital wayfinding kiosks in the Parramatta CBD, improving access for the sight impaired and other disabilities.
- An access audit of the new civic building PHIVE, along with commencing delivery on a plan to address the audit's recommendations.
- Delivery of Universal Design information sessions to staff across diverse teams involved in planning, design, and service delivery, to build up knowledge across the organisation.
- The development of an accessible playground framework, that along with an access audit completed for all playgrounds, has been used to identify accessible playgrounds in the LGA and will inform planning and future works.
- Continued Membership of the Australian Disability Network, supporting development of accessible recruitment and employment policies and practices at Council, and to be used to develop a Workplace Adjustment Policy in the coming year.
- Development and trial of a new record keeping system structured around a best practice framework, for the NDIS Coordination service to track and demonstrate progress towards client personal goals and in addressing barriers in accessing supports. This trial has clarified the needs and structure for a new information management system proposed to be developed over the coming year.
- Increasing the option for making verbal submissions across community consultation processes calling for public submissions.
- A progress and reporting framework has been developed, and annual (end of Calendar year) progress is reported to the Community through Council's DIAP webpage, along with graphics to explain the outcomes framework guiding action delivery.

As recommended by Autism Spectrum Australia, Council is also aiming for multiple sites to become officially recognised as Sunflower Friendly within the coming year, under the Hidden Disability Sunflower program that aims for improved customer service for people with hidden disabilities. Training of staff at key service delivery sites is to commence in July 2024. Actions relating to this will be added to the current DIAP for each site.

---

## PARTICULARS OF COMPLIANCE WITH AND EFFECT OF PLANNING AGREEMENTS IN FORCE DURING THE YEAR

A voluntary planning agreement (VPA) is an agreement entered into by a planning authority (such as the City of Parramatta) and a developer. They typically accompany a development application or a planning proposal. Under a VPA a developer agrees to provide or fund:

- public amenities,
- affordable housing,
- open space, public domain embellishments or other infrastructure, or
- some other benefit. Contributions can be made through:
  - the dedication of land,
  - monetary contributions,
  - construction of infrastructure, and/or
  - provision of materials for public benefit and/or use.

A VPA cannot be entered into unless it has been publicly exhibited along with an explanatory note for at least 28 days.

The following planning agreements were in force in the year 2023/24:

No.	Street Address	Description of planning agreement	Date the agreement executed	Name of the parties	Associated Application Number	Description of Development	VPA Status
1	260 Victoria Road PARRAMATTA NSW 2150	Deed of Agreement (as opposed to formal VPA) to undertake heritage walk and signage through UWS site, improve public interface with river including upgrades to existing footpath, upgrade to existing cafe, provision of bicycle parking and drinking fountains, publicly accessible toilets and public seating.	06/02/2008	City of Parramatta Council  University of Western Sydney	DA/584/2007	Demolition, subdivision and construction of new student accommodation including 73 self contained units comprising of 342 bedrooms.	Completed
1A	260 Victoria Road PARRAMATTA NSW 2150	Variation Deed Relating to Public Domain Works	19/05/2011	City of Parramatta Council  University of Western Sydney	Same as original	Same as original	Completed
1B	260 Victoria Road PARRAMATTA NSW 2150	Variation relating to timing of heritage interpretation signage	22/02/2012	City of Parramatta Council  University of Western Sydney	Same as original	Same as original	Completed
1C	260 Victoria Road PARRAMATTA NSW 2150	Further variation relating to timing of heritage interpretation signage	8/10/2012	City of Parramatta Council  University of Western Sydney	Same as original	Same as original	Completed

2	8–10 Boundary Road CARLINGFORD NSW 2118	Payment of a monetary contribution of \$279,300 towards works in Carlingford.	23/07/2010	The Hills Shire Council  Dynamic Plus Rendering & Construction Pty Ltd  Everlast Rendering & Construction Pty Ltd	DA/63/2010/  HB (Hills Council reference)	The addition of 14 units to an approved residential flat building.	Completed
3	116–124 Church Street PARRAMATTA NSW 2150	Dedication of land at rear of site, construction of a shared pedestrian and vehicle laneway, resurfacing of part of existing laneway (Firehorse Lane), provision of landscaping, public art, lighting and security cameras within public domain.	31/08/2010	City of Parramatta Council  Glory Property Developments (Australia) Pty Ltd	DA/565/2004	Modification to an approved 25 storey mixed use development including the addition of 2 commercial levels, removal of 24 car spaces, changes to the internal layout and changes to the external facade.	Completed
4	1–7 Correy Place, 774–788 Pennant Hill Road & 13 Young Road CARLINGFORD NSW 2118	Payment of a monetary contribution of \$877,762 towards works in Carlingford.	29/11/2010	The Hills Shire Council  Stamford House 88 Pty Ltd	HB/1379/2009 (Hills Council reference)	3 apartment buildings with 114 units and medical centre.	Completed

Under section 218A of the Environmental Planning and Assessment Regulation 2021, council must disclose, in its annual report, how development contributions and development levies have been used or expended under each contribution plan.

## DEVELOPMENT CONTRIBUTIONS AND DEVELOPMENT LEVIES

### Disclosure of how development contributions and development levies have been used or expended

Under section 218A of the Environmental Planning and Assessment Regulation 2021, Council must disclose, in its annual report, how development contributions and development levies have been used or expended under each contribution plan.

The following table summarises details for each project for which the contributions or levies have been used or expended:

Contributions Plan	Proj ID as identified in Contribution Plan	Proj #	Proj Name - Council	The kind of public amenity or service	Monetary amount expended from development contributions 23/24	Value of land dedication	Value of material public benefit provided	Contribution expended to date	Temp borrowing	Proj status	% of cost funded by contributions to date

## RECOVERY AND THREAT ABATEMENT PLANS

In regard to Section 220ZT (2) of the Fisheries Management Act 1994, the relevant Recovery and Threat Abatement Plan relative to City of Parramatta is the removal of large woody debris (LWD) from NSW rivers or streams.

City of Parramatta manages approximately 105km's of natural waterways and as a general rule does not remove LWD from those waterways.

---

## DETAILS OF INSPECTIONS OF PRIVATE SWIMMING POOLS RECOVERY

A total of 106 applications were received for Council to inspect private swimming pools in 2023/24. As a result of these inspections, 58% were issued with a Swimming Pool Compliance Certificate and 22% were issued with a Swimming Pool Non-Compliance certificate. The remainder are still under review.

Council also receives requests to inspect multi-dwelling pools open to and used by the public. These include Hotels, Strata Buildings etc., a total of 21 pools were inspected.

Inspections of private swimming pools	
Inspections of tourist and visitor accommodation	1
Inspections of premises with more than 2 dwellings	20
Inspections that resulted in the issuance of a certificate of compliance under section 22D of the Act	62
Inspections that resulted in the issuance of a certificate of non-compliance under clause cl 21 SP Reg	24
Applications Cancelled/Withdrawn/Duplicate	11

## INFORMATION INCLUDED ON GOVERNMENT INFORMATION (PUBLIC ACCESS) ACT (GIPA) ACTIVITY

The Government Information (Public Access) Act 2009 (GIPA Act) provides a right to access government information unless there is an overriding public interest against release. Government information is any record held by an agency, a private sector entity or the State Records

Authority to which the agency has an immediate right of access, or a record that is in the possession or under the control of a person in his or her capacity as an officer of the agency. A record means any document or other source of information compiled, recorded or stored in written form or by electronic process, or in any other manner by or by any other means.

**Clause 8A:** Details of the review carried out by the agency under section 7 (3) of the Act during the reporting year and the details of any information made public available by the agency as a result of the review

Reviews carried out by the agency	Yes
Information made publicly available by the agency	Yes

**Clause 8B:** The total number of access applications received by the agency during the reporting year (including withdrawn applications but not including invalid applications)

Total number of applications received	86
---------------------------------------	----

**Clause 8C:** The total number of access applications received by the agency during the reporting year that the agency refused either to wholly or partly, because the application was for the disclosure of information referred to in Schedule 1 of the Act (information for which there is a conclusive presumption of overriding public interest against disclosure)

<i>Number of Applications Refused</i>	<i>Wholly</i>	<i>Partly</i>	<i>Total</i>
	0	1	1
<i>% of Total</i>	0%	100%	100%

**Table A:** Number of applications by type of applicant and outcome\*

\* More than one decision can be made in respect of a particular access application. If so, a recording must be made in relation to each such decision. This also applies to Table B.

	Access Granted in Full	Access Granted in Part	Access Refused in Full	Information not Held	Information Already Available	Refuse to Deal with Application	Refuse to Confirm/Deny whether information is held	Application Withdrawn	Total	% of Total
Media	2	1	0	0	0	0	0	0	3	3.49%

Table B: Number of applications by type of applicant and outcome\*

	Access Granted in Full	Access Granted in Part	Access Refused in Full	Information not Held	Information Already Available	Refuse to Deal with Application	Refuse to Confirm/Deny whether information is held	Application Withdrawn	Total	% of Total
--	------------------------	------------------------	------------------------	----------------------	-------------------------------	---------------------------------	--	-----------------------	-------	------------

Personal information applications*	2	2	0	0	0	0	0	1	5	5.81%
Access applications (other than personal information applications)	42	19	0	5	0	0	0	6	72	83.72%
Access applications that are partly personal information applications and partly other	5	3	0	0	1	0	0	0	9	10.47%
Total	49	24	0	5	1	0	0	7	86	
% of Total	56.98%	27.91%	0.00%	5.81%	1.16%	0.00%	0.00%	8.14%		

\* A personal information application is an access application for personal information (as defined in clause 4 of Schedule 4 to the Act) about the applicant (the applicant being an individual).

Table C: Invalid Applications

Reason for Invalidity	Number of Applications	% of Total
Application does not comply with formal requirements (section 41 of the Act)	39	100.00%
Application is for excluded information of the agency (section 43 of the Act)	0	0.00%
Application contravenes restraint order (section 110 of the Act)	0	0.00%
Total number of invalid applications received	39	100.00%

Invalid applications that subsequently became valid applications	35	89.74%
Total	39	

**Table D:** Conclusive presumption of overriding public interest against disclosure: matters listed in Schedule 1 of Act

	Number of times consideration used*	% of Total
Overriding secrecy laws	0	0%
Cabinet information	0	0%
Executive Council information	0	0%
Contempt	0	0%
Legal professional privilege	0	0%
Excluded information	0	0%
Documents affecting law enforcement and public safety	1	100%
Transport safety	0	0%
Adoption	0	0%
Care and protection of children	0	0%
Ministerial code of conduct	0	0%
Aboriginal and environmental heritage	0	0%
Privilege generally - Sch 1(5A)	0	0%
Information provided to High Risk Offenders Assessment Committee	0	0%
Total	1	

*\*More than one public interest consideration may apply in relation to a particular access application and if so, each such consideration is to be recorded (but only once per application). This also applies in relation to Table E*

**Table E:** Other public interest considerations against disclosure: matters listed in table to section 14 of Act

	Number of times consideration used*	% of Total

Responsible and effective government	3	10.34%
Law enforcement and security	1	3.45%
Individual rights, judicial processes and natural justice	19	65.52%
Business interests of agencies and other persons	6	20.69%
Environment, culture, economy and general matters	0	0.00%
Secrecy provisions	0	0.00%
Exempt documents under interstate Freedom of Information legislation	0	0.00%
Total	29	

Table F: Timelines

	<i>Number of applications*</i>	<i>% of Total</i>
Decided within the statutory timeframe (20 days plus any extensions)	74	94.87%
Decided after 35 days (by agreement with applicant)	3	3.85%
Not decided within timeframe (deemed refusal)	1	1.28%
<i>Total</i>	78	

Table G: Number of applications reviewed under Part 5 of the Act (by type of review and outcome)

	<i>Decision Varied</i>	<i>Decision upheld</i>	<i>Total</i>	<i>% of Total</i>
Internal review	0	0	0	0%
Review by Information Commissioner*	0	0	0	0%
Internal review following recommendation under section 93 of Act	0	0	0	0%
Review by NSW Civil and Administrative Tribunal (NCAT)	0	0	0	0%
<i>Total</i>	0			

<i>% of Total</i>	0%	0%	
-------------------	----	----	--

*\*The Information Commissioner does not have the authority to vary decisions, but can make recommendations to the original decision-maker. The data in this case indicates that a recommendation to vary or uphold the original decision has been made by the Information Commissioner.*

**Table H:** Applications by review under Part 5 of the Act (by type of applicant)

	<i>Number of applications for review</i>	<i>% of Total</i>
Applications by access applicants	1	100%
Applications by persons to whom information the subject of access application relates (see section 54 of the Act)	0	0%
<i>Total</i>	<i>1</i>	

**Table I:** Applications transferred to other agencies

	<i>Number of applications transferred</i>	<i>% of Total</i>
Agency - Initiated Transfers	3	100.00%
Application – Initiated Transfers	0	0.00%
<i>Total</i>	<i>3</i>	

## INFORMATION INCLUDED ON PUBLIC INTEREST DISCLOSURE ACTIVITY

Section 31 of the *Public Interest Disclosures Act 1994* requires an authority prepare an annual report on the public authority's obligations under this Act for submission to the Minister responsible for the public authority within 4 months after the end of each reporting year. The following information constitutes the reports of Parramatta City Council for the 2023-2024 financial year.

Summary – All PIDs received	July 2023 to June 2024		
	Made by public officials performing their day to day functions	Under a statutory or other legal obligation	All other PIDs
Number of public officials who made PIDs	0	0	4
Number of PIDs received by your public authority	0	0	5
Of PIDs received, how many were primarily about:			
Corrupt conduct	0	0	1
Maladministration	0	0	5
Serious and substantial waste	0	0	0
Government Information contravention	0	0	0
Local government pecuniary interest contravention	0	0	0
Number of PIDs finalised	0	0	4
Have you established an internal reporting policy?			Yes
Has the head of your public authority met their staff awareness obligations?			Yes
